BITS and PIECES

ASSHOLE OF THE MONTH

The squeakiest wheel gets the most grease, and the noisiest butt-ring gets the Asshole of the Month award, and oily, mass-media blowhard Patrick J. Buchanan takes both. A former loudmouth-for-hire to Presidents Richard Nixon and Ronald Reagan, Buchanan is most fittingly described as a shrill blather-face who dollops massive globs of brilliantine into his hair. A mere pass of the fingers across his pate, and he's prepared to lube up his hind quarters to accept HUSTLER's 1991 Holiday Issue Asshole of the Month.

Buchanan has been popping off rectal, right-wing rhetoric since 1962, as an editorial hatchet man for the jerkwater *St. Louis Globe-Democrat* gazette. One of Buchanan's favorite duties as a "journalist" was to take some liberal who had offended the publisher and "cut this bastard from rectum to bellybutton."

In his 1988 autobiography, *Right From the Beginning*, Buchanan displays a fond nostalgia for childhood beatings from his father, who whipped formative Pat with a leather belt. "My values were shaped by being a member of an Irish-Catholic family of nine children," Buchanan brags, although his childless marriage of 20 years places no evident value on a large family.

More than likely, the virtues Buchanan learned at the crowded, clamorous dinner table of his youth were the scruples of a thug who would rather shout down another man than consider his viewpoint. The principle of volume over content,

PATRICK J. BUCHANAN

the belief that bluster is better than logic, the view that "other people" are not smart enough to be allowed their own ideas, the conviction that one's own opinions must be foisted upon "other people," by whatever means necessary—such is the ethical code of Pat Buchanan.

Buchanan pursued his higher moral calling as one of Nixon's dirty tricksters (advising the then-president that Reverend Martin Luther King Jr. should be considered "the Devil Incarnate"), as a television/newspaper ranter (to the tune of \$400,000 a year) and as Reagan's communications director (until Nancy hounded his ass out).

Buchanan's most consistent trait throughout his career has been a

rabid us-versus-them mentality. "Them" has been alternately the press, civil libertarians, women, gays, poor people or Nazi hunters, but Pat's constant "them" has been communism. Distribution of capital is a God thing to Irish-Catholic Buchanan. He sees the conflicting economic systems of East and West as "a religious war for control of the soul and destiny of mankind."

Now that the Iron Curtain has been sent to the cleaners and the Commie boogeyman is exposed as nothing more than a shadow on the stone wall that passes for Buchanan's mind, who's left for punchy Pat to attack?

First, he took a swipe at all red-blooded enlisted personnel in the

U.S. military. *Right From the Beginning*, Buchanan's self-penned account of himself, recounts a wealth of glorious fistfights won by the scrappy, young mick. Despite his avowed pugilistic nature, Buchanan never served in any branch of the armed forces. Still, he took a swat at the rights of America's fighting men by proposing to ban HUSTLER Magazine from the post exchanges of U.S. military bases.

Invigorated from his bout with the defenders of liberty in the free world (read *grunts*), totalitarian tough-guy Buchanan greased up his hair and took a bead on his next opponent: Madonna. Provoked by the carnal chanteuse's suggestive cavorting, rather than slapping his meat, Pat applauded a boycott of Pepsi, and somehow equated Madonna's video with the spawning of Adolf Hitler. If only his father's leather belt had been handy, the perturbed papist might have put a stop to the ambitious blonde's hanky-panky.

Flush with the success of bashing a girl, Buchanan faced his toughest nemesis yet: Pee-wee Herman. No doubt offended by Herman's parody of Buchanan's own hairstyle, Pat showed the accused masturbator no mercy when the topic of Pee-wee's Sarasota, Florida, arrest came up on NBC's old-man blabfest, *The McGlaughlin Group*. "I think," spluttered Pat, "just shut down the theaters. If New York wants this garbage, they can have it."

But then buttock lovers outside of New York will be forced to watch Pat if they want to see any Asshole.

George Bush: "You can't put freedom and democracy back into a box and keep it contained," trumpeted Bush after the fizzled Soviet putsch. "These totalitarian systems, you can't have them come out and take over." And yet Bush and his administration are on a relentless course of curtailing American liberties. Don't read his lips; just watch what he does. It's time this Asshole got kicked.

Raymond Newman: A court-appointed lawyer

FARTS IN THE WIND

for indigent defendants, Raymond Newman billed L.A. County for \$1.3 million over the past three years, claiming to have worked almost as many hours as the day holds. Now that he's been indicted on criminal charges of grand theft and perjury, Newman is claiming to be broke and is asking for a court-appointed attorney to defend him. Who ever thought an

Asshole would be asking for a free Asshole?

David J. Acer: Of 200,000 people who have developed AIDS in the U.S., only five are known to have been infected by a health-care worker. All five cases can be traced to David J. Acer, a Florida dentist remembered by his colleagues for his cavalier attitude toward sterilization and cleanliness. Typhoid fairy Acer is dead now, a rotting Asshole, but his legacy of death is passed along.

NEEDS A TRANSPLANT

I don't have blond hair and blue eyes, but I'm writing you West Coast faggots anyway. Just because I have brown hair and brown eyes doesn't mean I need to be castrated, tarred and feathered, and banned from California, Oregon and Washington states. But I wish some of you West Coast, neo-Nazi faggots would take your best shot. I'd love it. You self-centered assholes from the West Coast think the world revolves around you. You think you're so much smarter than anyone else in this world. No, I'm not a transplant. I was born on this stuck-up, toilet-bowl coast. But I wish you prejudiced assholes would fucking physically throw everyone who doesn't have blond hair and blue eyes off your turf. I have a hunch you will within the next ten years, and I'll be waiting for you with a knife or gun or something. Until then, shove this letter up your corrupt assholes.

DARK MEAT TREAT

I am a young, black woman who has just recently subscribed to HUSTLER Magazine. I would like to suggest that HUSTLER spotlight more integrated couples, similar to the layout you did a couple of years back (*Larry and Flo: Honeymoon Hootch Highway*, March '89). That issue is a collector's item as far as my friends and myself are concerned.

I found the couple to be perfectly matched, well endowed and sensually erotic, which turned me on to such a point that I began fantasizing about myself as Flo. She appeared to be having so much fun. It would be great if you'd photograph more busty, beautiful, black women in the

buff. You do *not* have enough women of color in HUSTLER! Blond hair and blue eyes should not always rule the American standard of beauty. Stir the melting pot a little! What do you say to that? —Y. C.
Philadelphia, Pennsylvania

Two words, Y. C.: Beaver Hunt. Think about it. Not just any dark meat in HUSTLER—yours. And \$250 to boot, plus a shot at this year's \$5,000 Grand Prize. Put your pussy where your mouth is!

FAN LETTER

A comment must be made on "Plane Crazy" by A. M. from Beverly Hills, California, that appeared in HUSTLER's October 1991 issue ("Plane Crazy," *Hot Letters*, October '91). It was the weirdest thing I've ever read!

Although this A. M. person is totally disgusting, I must say that he is quite the writer! Of course, the best creativity usu-

ally comes from sick minds. Anyway, thanks for entertaining me so well in October!

GIRL/GIRL GAGA

The most beautiful woman I've ever seen is Danielle, HUSTLER's Honey for May 1991 (*Danielle: Video Active*, May '91). You have shown a truly beautiful female in the finest form. She claimed to be an adult-film producer from Florida. Film producer, hell—she ought to be starring in those films!

Now, here's the weird part of this letter. I'm a 19-year-old female! I'm not gay, but after seeing Danielle, I'm having second thoughts! I opened my boyfriend's May 1991 HUSTLER purely out of curiosity. When I came across Danielle, I nearly creamed my panties! I confiscated the magazine, and that night I finger-fucked myself, staring at your pictures of her beautiful body. I don't have a bad body myself, but if I looked like Danielle, I would be starring in adult films. This girl can sit on my face anytime. I wouldn't even think twice about eating her pussy.

Being a female, I always thought of HUSTLER as something only perverts buy. After looking through your magazine, I have nothing but praise for the way you present the female form—the way it was intended to be—the way it was made! Keep up the good work. Right now, I'm going to take your May 1991 issue

—W. P.

Let's get this straight, W. P. You thought only perverts bought HUSTLER, but you knew your boyfriend did?

I just read the September 1991 HUSTLER, in which you displayed Tracey (*Tracey: Wiggle in Her Walk*, September '91). She's a total knockout! Something happened I didn't plan on. My girlfriend found me with my magazine and a hard cock. She pulled the magazine away from me and looked her over. Suddenly, she started licking her lips and rubbing her tits! Not only was I shocked, but I was still hard! We had anal sex on my bed, because we had so much in common! —M. B.
New Lenox, Illinois

POKING PECKERWOOD

My friends and I just read "No Dinner, No Movie," written by murdering con Two-Shot Peckerwood, who claims he'd love to butt-fuck Operation Desert Storm soldiers ("No Dinner, No Movie," *Feedback*, September '91). Coming from a tough guy like him, it makes perfect sense. After all, it takes guts to shoot a kid, even if the limp-wristed Romeo probably molested the tyke in a Toys "R" Us store before blowing him away.

Peckerwood talks of uniforms and faggots. If you ask us, the only assholes who suck dick for cigarettes are the gentlemen behind bars. We want Peckerwood to know we'll be thinking of him while we're getting paid to screw derelict, hosebag cum-dumps like his old lady. Child-molesting poodle owners like him probably don't know the difference between pussy and their boyfriends' stinking shit-cracks.

Listen up, Peckerwood. If you have any response to our no-shit letter, don't be shy.

CHEATIN' HARD

Amidst HUSTLER's lip-smacking, dick-spanking women, I found *Your Cheatin' Heart* deserving much applause (*Your Cheatin' Heart: A Handy Guide to Fucking Around Without Getting Caught*, September '91). It's a great guideline for those men who suffered a lapse of brain power momentarily and married. Just because they've fallen for the white-picket-fence fantasy doesn't mean they can't have no more pie! So what the fuck, all you hubbies—get the whip cream on a new slice! —R. J. B.
Neosho, Wisconsin

Not too long ago, I got hold of HUSTLER Magazine. I became highly interested in the article that was done on sex on the side (*Your Cheatin' Heart: A Handy Guide to Fucking Around Without Getting Caught*, September '91). Damn, that is a cold-ass article. You folks at HUSTLER get all the props!

My cellie and I think that all you folks at HUSTLER are a group of sugar-sweet, Casanova-grown motherfuckers. The serious sharp tops in the business on the inside.

HOME FRONT OFFENSE

Has America gone back to the days of prohibition and bootlegging? I was recently arrested for selling a six-pack of beer on two separate occasions to a special agent working for the state of New Mexico. I now face 18 months in prison for each of the six-packs I sold.

Sale of alcoholic beverages is prohibited on Sundays in New Mexico. Disobeying this law used to be a misdemeanor, but it's now been changed to a fourth-degree felony. Are there similar laws in other states? If so, why haven't they been challenged as unconstitutional? They're unconstitutional because when laws are

made, there is supposed to be a separation of church and state, and this law is clearly a religious law. If you picked any other day of the week to prohibit sales, then asked people why that day was chosen, no one would have a straight answer. But ask why Sunday was chosen, and 99% would answer it's because of religion! That's an outright violation of the separation between church and state!

The time has come to change this law. New Mexico should prohibit sales totally—as some counties do—or legalize sales for every day of the week. I'm asking the American Civil Liberties Union for help in changing this.

—B. J. M.
Roswell, New Mexico

Here's a guy who deserves a medal. America needs more heroes like B. J. M.—stand-up guys who're fighting the odds to right America's wrongs from the inside. Salut!

Fear and hypocrisy have repressed sexual awareness, leading to the ignorance that spreads disease and creates violence, in addition to hindering our natural enjoyment of sex. This series opens the door to current sexual knowledge and expression, and improved love-making.

FUCKING NUTS: SEX WITH CRAZY WOMEN

BY ALEX MARVEL

Duncan Sandy couldn't believe his luck. She spotted him in the produce department and pursued him into gourmet meats. With gleaming intensity, she zeroed in on Duncan's cocktail sausage.

Duncan had read about supermarket sex, but always dismissed it as bogus *Penthouse* fantasy—until this woman followed him through the checkout counter, tugged on his glans and led his penis around the store to some shadows behind the main dumpster.

Her hot, wet mouth harbored a wild tongue. She took his balls in with a popping suck and began pulling condiments from her baggy clothing. Secreted mayonnaise and mustard, with a splash of sherry vinaigrette and a premixed garlic paste, blended to a savory, gourmet sauce upon his prick.

She reached under her baggy shirt and pulled out a cucumber and two slender carrots. Slipping from her loose trousers, she slid the cuke into a sopping, fecund twat and twisted one carrot into her asshole. The other carrot she wet with her mouth and gently eased into Duncan's clamping sphincters, the carrot top massaging his prostate gland just as bolts of molten nirvana flashed from Mr. Sandy's rod into the mysterious female stranger's throat.

As she gulped and swallowed, she looked up at Duncan with eyes empty of anything but worship.

"No one's going to believe this," reflected Duncan, "but I think she's crazy about me."

The girl Duncan Sandy hosed in the urban grocery lot was indeed crazy about him, but she was crazy about everything else too.

"Crazy women can really focus in on a fuck," comments Warren Wesleyan, a psychiatric technician barred from the field for his extracurricular carnalities. "I thought I'd known passion, until I had a raging psychotic throw a fit on my dick."

Nutballs are known by the power of their unbridled emotions, primal feelings that are most fully unleashed during sex.

"This one kook," recalls Wesleyan, "had those vacant, lost-soul eyes you see so much of in the institution. I wouldn't have bothered fucking her, except she had the face of an angel. No matter how many shock treatments they get, they still remember how to suck. Anything short of lobotomy can be rehabilitated, and even a lobotomy has her uses. Anyhow, I plugged into this nut's socket, and it was like I'd flipped a switch. Her eyes crackled with a megavolt jolt. She took over. A real dynamo, a proto-rooting machine. She got addicted to the charge, and I eventually lost my credentials because she had no idea of proper time or place. She was worth losing my job. I considered having myself committed so I could be closer to her."

Self-institutionalization indeed provides proximity to unbalanced sex partners. Fruits and nuts screw one another so commonly in confinement that mental-health professionals refer to coitus among inmate patients as "bush therapy." However, voluntary commitment in pursuit of crazy love is somewhat extreme and may, in fact, indicate a pathology on the male's part requiring segregation from society at large.

Cooler heads pursue addle-brained bimbos outside the clinical setting. A gold mine of disturbed ginch might be as close as the nearest bus stop.

"Find out where the halfway houses are," advises Hunter Rachelwitz, an inmate serving time for counterfeiting Handicap Parking permits. "None of these nuts drive cars; they're just too unpredictable. They all take public transportation to their day jobs. It's worth riding the bus just to weed out the mental incompetents from the fire-eyed locos. I've really got no use for retards. I'm after that extra something a multiple personality brings to bed. If I wanted to fuck a dolt, I'd just pick up a TWA executive."

Contact is easily made on a bus, but commuter lines are not the preferred avenues of approach for all wacko-squack devotees.

"I have relationships exclusively with emotionally challenging women," reveals McCuller Carcins, a euphemistically inclined television writer. "In the past, I've relied on meetings of 12-step programs to make my contacts, but lately the self-help movement has been overwhelmed by an influx of garden-variety neurotics. These women display outside indications of being deeply disturbed, but invariably they turn out to be only bundles of surface anxiety. I find them entirely repressed in bed, wholly lacking in the libidinal liberation of the erotic psychotic, a type totally foreign to the concept of inhibition."

Carcins's secret pick-up location? "Social-services offices. Any lady there is officially sanctioned as insane, but she has her own money."

Welfare subsistence checks are the least consideration of most nut-case Romeos. The mad femme's true value to the collector is her wild and wanton way of shredding in the sheets. "Did you say spontaneous?" rhetorizes Anton Suzerain, an ad designer for a San Fernando Valley video conglomerate.

"Did you say sensual creativity? Roughly one-quarter of all

BUTTMAN'S EUROPEAN VACATION

Three-Quarters Erect. Directed by John Stagliano; starring Sunny McKay, Zara Whites, Noelle Budvar, Veronica Dol, Natalie Streb, Joy Karins, Rocco Siffredi, Debbie, Silver of Holland, Christoph, Phillip and John Stagliano. Videocassette: Evil Angel Video.

John Stagliano's obsession never takes a vacation. The man goes all the way to Amsterdam, Paris and the French Riviera, but does his insatiable screeze compulsion allow him to relax? Hardly. John's far-from-home urges have him lying down on the scuzzy tile of a European bathroom floor to film the cockroach view of Rocco Siffredi's Preparation-H tongue shoving a minor hemorrhoid back into the endearingly flawed brown ring of a glassy-eyed, dyke-water-blond Dutch slut. Stagliano's Buttman persona wears thin in a few spots that might have been edited, and the two slob broads in Paris look more Albanian than French, but the uglies get butt-plugged and Buttman's enduring preference for gushing cum-facials preserves images of Sunny McKay, Veronica Dol and a limber-limbed Hungarian beauty with so much wad around their mouths that it looks like they've just vomited it up. *Buttman's Vacation* is a trip worth taking. —Christian Shapiro

Buttman's obsession never takes a vacation.

Stagliano serves up some Hungarian goulash.

Hindlick contains no resuscitation by rimming.

HINDLICK MANEUVER

Half Erect. Directed by Michael Carpenter; starring Peter North, Marc Wallice, T. T. Boy, Lois Ayres, Nikki Wilde, Viper, Brandy Alexandre and Jamie Leigh. Videocassette: Coast to Coast.

You're in a restaurant. The beautiful woman at the table next to yours falls to the floor, choking. You spring into action, quickly pulling her dress up and her panties down. You spread her rear cheeks and fearlessly drive your tongue into her asshole and immediately begin resuscitation by rimming. You revive the victim and are taken home for the fucking of your life. Pleasant picture? Save it. Nothing close to this obvious play on the title happens in this routine stroker, another example of smut peddlers using all their creativity on the box cover. —Woody Hood

AUSSIE EXCHANGE GIRLS

One-Quarter Erect. Directed by Aja; starring Alice Springs, Kelly Blue, Tracey Adams, Marc Wallice, Tom Byron and Cal Jammer. Videocassette: Down Under Video.

Regular movie stars don't all want to direct. Some want to drive race cars, others go into politics or open restaurants. I guess we should rejoice that pornographic-video personality Aja chose to direct a dreck feature rather than open an eatery. If *Aussie Exchange Girls* were a meal, it would leave the diner hungry and heartburned. *Aussie Girls* really has no blatantly unappetizing female flesh, but none of the sluts are particularly savory either. Where are the culinary delights of exotic spices and flambé glazes? In some other movie of passionate consumption, one that can perhaps be exchanged for this serving of empty carnal calories. —C. S.

If these are **Dreams**, her life must be a nightmare.

THE DREAMS OF CANDACE HEART

One-Quarter Erect. Directed by Nancy Blue; starring Candace Heart, Laura Dean, Avalon, Heather Hart, Christy Canyon, Jennifer Stewart, Deju, Kylie Channel, Jordan Smith, Tom Byron, Marc Wallice and Cal Jammer. Videocassette: Vivid Video.

If these are Candace Heart's dreams, her waking life must be a living nightmare. Cheap from start to finish, this trip from reality is a headache-inducing swirl of horrible Muzak, epileptic editing and ugly women. The first fuck, a tryst between Christy Canyon and a puny, bony, poor excuse for a porn stud, is the best. From there, it's strictly downhill. —W. H.

Caught isn't worth the hype.

CAUGHT FROM BEHIND 14

One-Quarter Erect. Directed by Charlie Diamond; starring Nina Hartley, Sean Michaels, Alice Springs, Britt Morgan, Leilani, Marc Wallice and Joey Silvera. Videocassette: Hollywood Video.

The prerelease hype of *Caught 14* heralded the opening of Nina Hartley's all-world ass to Sean Michaels's big, black dick. The idea of an enormous ebony stick slicing between Hartley's carved-granite butt cheeks and right through that agonizingly tiny tan line is enough to send boners popping, but the vision is spoiled by the horrible video realities captured here. Sure, Michaels gets his cock in there, but only partway because he can't stay hard (due to the condom?). The scene turns into a desperate struggle for the cum-shot, just like most of this tape.

—Mal O'Ree

CHEEKS 4: A BACK STREET AFFAIR

Three-Quarters Erect. Directed by Britt Morgan and Jace Rocker; starring Britt Morgan, Brandy Alexandre, Joey Silvera, Tony Tandori, Peter North, Mike Horner, Mercedes, Jamie Leigh and Tom Chapman. Videocassette: Coast to Coast.

A humorous tale of the lifestyles of the rich and horny, *Cheeks 4* is a continuation of offbeat erotic-film making from Britt Morgan and Jace Rocker. From the opening scene where Brandy Alexandre gets a backseat-balling from Tony Tandori in a limo, to the fiery finale where Morgan gets DP'd by Peter North and Joey Silvera, it's mostly balls-eye boning, all silly fun, with some nice butt-banging. *Back Street* is a well-traveled road.

—Sam Lowry

BACKDOOR TO HARLEY-WOOD

Half Erect. Directed by Charlie Grey; starring Champagne, Viper, Kassi Nova, Rachel Ashley, Billy Blue, Biff Malibu, Troy Hart, Reel Steel, Blake Palmer, Johnny Ace and Rick Daniels. Videocassette: Arrow Video.

It's difficult to find fault with *Backdoor to Harley-Wood*, considering it features a bunch of what look like genuinely violence-prone biker dudes, but find fault with it most viewers will. Audience members most offended will be those with a fetish for pretty girls, as *Harley-Wood* boasts a grand total of one chick who is more attractive than a fresh piece of road kill. Viper, beautiful soul that she may have cherished somewhere within her, looks as though she died 16 hours prior to this shoot. Sure, Kassi Nova will take it in her mouth directly from her ass, but her butt cheeks hang like twin sacks of curdled, contaminated milk. Two other chicks are passable, meaning it's best to pass on them to get to Champagne. Aside from having big, real tits, an elfin smile, leavened buns, and accommodating Rick Daniels's sword in her shitter sheath, Champagne parks beneath a wad shower with her mouth open wide, ending *Backdoor* with a bang missing in most of the picture.

—C. S.

LOOSE LIPS

Half Erect. Directed by Milton Ingley; starring Sunny McKay, Joey Silvera, K. C. Williams, Raven, Cameo, Rene Fox, T. T. Boy and Randy West. Videocassette: VCA.

This compilation of clips masquerading as a movie has a few prick-pleasing parts. Raven slurping Randy West's wang, Cameo and Sunny McKay's poolside poon swoon, Rene Fox's feverish mouth-fuck of T. T. Boy's bone, K. C. Williams licking Randy's sticky rod, and McKay's buns flexing as she rides Joey Silvera's joint, pleasures to behold, are only brief moments of a slow-paced, overlong, poorly edited collection backed by a mind-numbing soundtrack.

—W. H.

THE ENCHANTRESS

Three-Quarters Erect. Directed by Paul Thomas; starring Hyapatia Lee, Blake Palmer, Ashley Nicole, Porsche Lynn, Alan Bosshart, Kiki, Don Fernando and Bud Lee. Videocassette: Vivid Video.

In "The Yearbook," the first of two unrelated vignettes, Blake Palmer dumps Ashley Nicole and turns his attention to seducing bitchy ad exec Hyapatia Lee, unaware that his new boss is a former fat girl he scorned in high school. Lee gets her revenge with a sizzling solo fuck and a fiery threeway with Porsche Lynn, who takes a wad of jizz on her tongue. The second story, "Sex and Taxes," features Lee as an IRS auditor who gets picked up in a bar by Don Fernando, who happens to owe the government some money. Practically bursting out of her dress to begin with, Lee does a sexy striptease, then shows him what it really means to get fucked by the IRS.

—Augie Michaels

Back Street is a well-traveled road.

Williams is one of *Lips*'s few prick-pleasing parts.

Enchantress Lee and Lynn get revenge on Palmer.

PASSAGES

Half Erect. Directed by Paul Thomas; starring Christy Canyon, Jennifer Stewart, Marc Wallace, Peter North, Blake Palmer, Loretta Sterling, Heather Hart and T. T. Boy. Videocassette: Vivid Video.

Jennifer Stewart plays a naive college coed who's ready for some sex education in this typically cable-ready story from Paul "I'm not a pornographer" Thomas. Stewart is tutored by the more-experienced Christy Canyon, and goes to study hall with Peter North and Marc Wallace, but only twice does prick penetrate pussy, while miles of videotape are taken up by endless talking and extended-foreplay tool-teasing. Women may relate to this X-rated, femme version of *Carnal Knowledge*, but tubesteak toters may find themselves bogged down somewhere in the middle of *Passages*. —W. H.

HEAD BANGERS BALL

One-Quarter Erect. Directed by Orgie Georgie and Mad Dad Dan; starring Nikki Wilde, Madison, Bionca, April Rayne, Sikki Nixx, Petey Balls, Sebastian and Blake West. Videocassette: Fresh Video.

Bionca performing a terrific circle-suck on four cocks and some horny nut-sucking by Nikki Wilde are the only things keeping this piss-colored porn show from being totally out of tune. When it comes to slut tricks, it's hard to outdo Bionca for sheer down-and-dirty acts. Her torrid siphoning on one pecker as another dork pops on her tits, while two others are jerking off, ready to blast anywhere from her eyelids to her clit, is hot stuff, and almost makes it worth an invitation to the *Ball*. —Rusty Knox

MARRIED WITH HORMONES

Half Erect. Directed by Orgie Georgie and Mad Dad Dan; starring Nikki Wilde, Bionca, Heather Hart, Mercedes, K. C. Williams, Randy West, Biff Malibu, Tom Byron and Sebastian. Videocassette: Fresh Video.

Nikki Wilde, as blond, brain-dead nympho Nellie Undy, steals the show with her sultry sense of sleaze, paying the pizza delivery boys with a smut-packed, double-slut cunt coupon. Heather Hart, while not as crazed as Nikki, has an all-natural, big-titted, voluptuous bod that looks best when it's being dick-pumped, flesh jiggling and wiggling all over the place. The moderately clever script, which actually spoofs the show it suggests, is every bit as inane as prime-time TV, lending an enthusiastically mindless tone to the show and making it surprisingly horny, despite being shot through a pair of cum-soaked undies. —R. K.

Stokers will be bogged down in the middle of *Passages*.

Hormones is every bit as inane as prime-time TV.

STARR

One-Quarter Erect. Directed by F. J. Lincoln; starring Teri Weigel, Gail Force, K. C. Williams, Peter North, Marc Wallace, Murrill Maglio, David Angel and Angelique. Videocassette: Caballero.

Whether Teri Weigel's zeal during sex is genuine raw emotion or just histrionic humping is open to debate. What is unquestionable is her ability to induce erection without even trying. A breath of fresh fucking, Weigel seems to be the only one awake during this comatose cooze snooze about love with a rock star. This former Playmate and now Hef's worst nightmare shows she's not just some practicing slut; she's the real thing, gleefully bouncing her cunt bunny up and down on Peter North's pogo stick in the only scene with any semblance of erotic energy. *Starr* is a black hole. —S. L.

Starr: Weigel bounces her cunt bunny on North's pogo stick.

SO MANY MEN, SO FEW GANG-BANG SLUTS

Blond, pixie puss Trixy Tyler's favorite sex act is an orgy. "With as many people as I can get," Tyler says. "Fifty, and I'd do everybody." For *Gang-Bang Girl No. 1* there were only 19 guys, but Tyler didn't mind the low numbers. "It was great," Tyler grinned. "The most I'd ever done was 16—*bang, bang, bang* in a row. I had to fight to get the part because I wanted it real bad. In the video, everybody penetrated, and

every single cum-shot was in the mouth. That was important. And I drank cum out of rubbers too. There was a big difference in the taste, texture, the body temperature, the smell—every single guy was different. I can't wait to do it again." Tyler, who unveiled a nose job and a new hair color at July's VSDA convention, can also be seen in *The Best of Buttman*, *The War of the Hoses*, *Harley Sluts*, *Rockin' the Boat*, *Torch 2* and *Dances With Foxes*.

BYRON ROCKS VSDA

Tom Byron was happening at the Tenth Annual Video Software Dealers Convention,

stepping on stage with Mark Stone and the Moonlighters to belt out "L.A. Woman" for a very appreciative audience of half-dressed porn queens, who partied long into the hot Las Vegas night. Byron, a veteran of more than 700 sex vids and a longtime musician, says he plans to shoot his last cum-shot in 1991 and turn his energy toward a career as a rock 'n' roller. "It's a dream, I know," says Byron, "but it's something I've always wanted. It's time to go for it." Byron says he's going to try to capitalize on his notoriety as a porn stud, not renounce it as other former Xers have done, one of whom was at the convention signing autographs. Good luck, Tom, but remember—not many groupies look like Tonisha Mills.

SPORTING ILLUSTRATED

Half Erect. Directed by Charlie Diamond; starring Ashlyn Gere, Debi Diamond, Raven, Kim Alexis, Sean Michaels, Wayne Summers and Max Reynolds. Videocassette: Hollywood Video.

Ashlyn Gere fucks with enough voracity for three women. Her two torrid torquings in *Sporting*—with Wayne Summers in a fevered fuck that climaxes with him showering her tongue with jolt after jolt of nut juice, and in a searing slam with Max Reynolds that gets downright acrobatic—just add to her lusty legend. Debi Diamond's ass-fuck by Summers is the other scene of note, as the leggy lustbag opens her crapper for cramming, then rolls over on her shoulder blades to assume a jackknife position for prick. Naturally, the scene ends with her trademark yummy facial. Though the remainder pales by comparison, *Sporting* should cause spurting. —S. L.

CYRANO

Half Erect. Directed by Paul Norman; starring April Rayne, Angela Summers, Madison, Steve Drake, K. C. Williams, Joey Murphy, Jamie Leigh, Alexandria Quinn, Trinity Loren, Bianca, Peter Gale, Fred Simmons, Robin Hall, E. Z. Rider and John Litmann. Videocassette: Paladin Video.

A perpetually perky proboscis prods primed pussies and, giving new meaning to the term *pecker snot*, propels a watery liquid into the mouths of wanton wenches in what should have been a comedy but, unfortunately, is played straight. This X-rated treatment of the classic romantic tale takes itself too seriously to succeed, but most viewers will appreciate sets, costumes, music and acting far above the porn norm. Stokers in the audience will be less than satisfied with the four overlong sex scenes, although *Cyrano's* nose-hose does have an eerie, erotic appeal. —W. H.

His nose-hose gives *Cyrano* an eerie, erotic appeal.

The Year in Scum

Prurient Memories From 12 Months of Pornography
by Mal O'Ree

A lot of good things happened to porn in 1991: a return to film, the return of Jeanna Fine, a burly HUSTLER Entertainment Editor getting his dick sucked by Ashlyn Gere and Debi Diamond on the same day and getting paid for it. As far as smut goes, 1991 will be remembered for:

Teri Weigel sucks cock like a porn slut. Photo: Scott St. James.

nearly 1,500 cum-shots (his quota should be about up), decided to leave smut to pursue his lifelong dream of being a singer in a rock 'n' roll band.

There's no doubt about Goddess Sondra's opinion of censorship.

Teri Weigel. It had to happen—a *Playboy* playmate getting into hard-core porn. Weigel, who was the Bunny gatefold in April 1986, sucks cock, eats pussy, gets fucked and dodges cum facials just like any other spuzz bimbo. Her movies include *Inferno*, *Starr*, *Raunch 3*, *Wicked* and *The Barlow Affairs*. Rumor has it that she's abandoning her original plan of just doing a few videos for the money to jump in full-time and fuck everybody. Thanks, Hef...

Tom Byron calling it quits. The Byron Bone, tired after more than 700 sexvids and

Censorship. Every XXX manufacturer in Porn Valley was raided by government agents. The pressure has turned producers into wary self-censors, willing only to market tapes that won't offend anyone, creating diluted, homogenized smut. Ominous portent: A long-distance carrier forced a 900-line advertiser to change an ad's wording from "Talk to beautiful women" to "Talk to lovely women." The phone company considered *beautiful* too suggestive.

grew up into a long-haired, tattooed, nipple-pierced cock-for-hire in *Bend Over Babes 2*.

The return of butt-fucking. Back doors were closed for a few years, but since AIDS hasn't become the devastating plague people expected, porn queens started bending over and spreading their cheeks again. Greasy, open buttocks to watch for: Jamie Leigh, April Rayne, Tashawna (a possible one-vid wonder who is plowed hard and rough in *Bend Over Babes 2*) and Brigitte Aime, who says, "I prefer it in my asshole."

Brigitte Aime prefers cock in her asshole. Nice jewelry. Photo: Lenny Wilde.

Herschel Savage discovered that life behind the camera isn't as much fun as getting his dick sucked in front of it.

Ginger Thomas took home the trophy as porn's best amateur cocksucker at the January Consumer Electronics Show in Las Vegas. Photo: J. R. Reynolds.

New cunts. A 1991 stroker's dozen: Holly "Monster Clit" Ryder, Ashley Nicole, Angela Summers, Alicyn Sterling, Melanie Moore, Savannah, Sandra Scream, Tonisha Mills, Rustie Rhodes, Mercedes, Jennifer Stewart and Trixy Tyler, who took on 19 cocks in a gang-bang, and every guy came in her mouth.

Rustie Rhodes in *The Back Doors* (Western Visuals).

Holly "Monster Clit" Ryder in *Newcummers* (4-Play).

April Rayne, another new buttgirl, shows the way she likes it in *Rayne Storm* (Vivid Video).

Alicyn Sterling wants to be a major porn star. Photo: *Sexliners* (Cinderella).

Herschel Savage's directorial debut. The one-time stunt dick, who spent the past several years selling videos, went behind the cameras for *Dances With Foxes*, an average stroker and not a bad first effort from a man who could become bigger than Orson Welles.

Amateurs. Homegrown triple-X exploded with nearly every major pro-porn manufacturer starting a line of movies featuring next-door neighbors. Consumers say amateur sluts like it more than the professional variety. The genre is here to stay.

Madison's tongue-piercing. That's right, a piece of shiny metal with a knob on one end stabbed through her tongue. Supposedly, it feels great on a hard dick or stiff clit. "I did it not so much for me but for others," Madison says.

The return of film. European buyers, fed up with cheapo American videos, stopped buying, but went for anything on film, betting that celluloid productions take time and money and will often be better than videos. Domestic perverts rushed to put film in the can, trumpeting a return of erotic art values all the way to the bank.

Death. Artie Mitchell was fatally shot the night of February 27 in his Northern California home. Jim was arrested near the scene with a rifle and a pistol. A murder trial is pending.

Aside from their O'Farrell Theatre in San Francisco, where jizz-biz jezebels show and tell, the Mitchell Brothers are best remembered for starting Marilyn Chambers's porn career in 1972's classic *Behind the Green Door*.

Perry Ross, the much reviled video exec who discovered then married and divorced starlet Angela Baron, was found dead June 12 after several days in an Amsterdam hotel room, reportedly from an overdose of heroin. Interpol launched a murder investigation, which determined that only 90% of everyone who ever met Ross had motive to kill him.

Ashlyn Gere's snarl. The closest thing to a larger-than-life sex goddess the '90s have, Gere's over-the-top intensity puts most twats to shame. A taut, athletic body, she even eats cum—and likes it.

Only thinking of others, Madison had a piece of metal stabbed through her tongue. Photo: *Personalities* (Paladin Video).

Ashlyn Gere is the closest thing to a superstar the industry has. Photo: *Ashlyn Gere's Realities* (Zane).

AIDS testing. Jim South's World Modeling Agency, the granddaddy of porn talent pools, mandated current AIDS tests for all its performers. No test, no work. This is the first industry-wide effort to protect performers.

Marriage and family. F. J. Lincoln, a degenerate of a delicate nature and a longtime cinema pervert, tied the knot with producer/director Patti Rhodes in a Cabo San Lucas, Baja, California, ceremony last March. Teri Weigel was a bridesmaid. Rhodes is expecting the couple's first child this spring. Director Paul Norman and superstar Tori Welles, who were married in 1990, celebrated an addition to the family when Nicholas was born May 29.

FOXE awards. The first Fans of X-rated Entertainment award show—the people's choice of porn—was held in February at Gazzari's nightclub on the Sunset Strip. FOXE members from around the country voted on their favorite porn stars. The winners: Nina Hartley, Tori Welles, Christy Canyon, Selena Steele, Tom Byron and Peter North. The newly formed National X-rated Critics Organization, salvaged from remnants of the old XRCO, also gave out its first awards, voting *Buttman's Ultimate Workout* as best video and *Pretty Peaches 3* as best film in 1990.

John Stagliano. Buttman continued and got better at it. Completely butt-obsessed, nobody shoots porn queens bending over like Stagliano. John put down his betacam long enough to direct his first 35-mm movie, *Wild Goose*

Longtime degenerate F. J. Lincoln with his new bride, director Patti Rhodes.

Nina Hartley and Mistress Jacqueline enjoy an appetizer at the first FOXE awards. Get your ticket for next year. (Photo: J. R. Reynolds).

Jamie Leigh gets oiled up in *New Wave Hookers 2* (VCA), one of the few watchable strokes of the year.

John Stagliano turned both cheeks at the competition.
Photo: *Buttman Back in Rio* (Evil Angel).

Chase, one of the few Fully Erect films of the year. He needs to step up the pace of his usual two-hour running time, but nobody else is as consistently hot.

Fully Erect. A handful of flicks received HUSTLER's highest rating—*Curse of the Cat Woman* (VCA), *The Masseuse* (Vivid), *Wild Goose Chase* (Evil Angel) and *New Wave Hookers 2* (VCA).

Video stinkers. Whew! Who farted? Oh, it's just some poor soul slipping one of these Totally Limp videos into his VCR: *The Monaco Falcon* (VCA), *L.A. Stories* (Vivid), *Pleasure Seekers* (Vidco), *Confessions of a Chauffeur* (Dreamland), *Pro Ball* (Vidco) and *Steamy Windows* (VCA). ☹

loco dolls lapse into catatonia upon penetration; the balance are masters of sexual improvisation. They are to blowjobs what Jimi Hendrix was to guitar. I exaggerate not. I met one cracked actress at a screening party for our distributors. I'd seen her on tape, and I'd heard stories, but I'm from Missouri—I don't believe it till I see it. She showed me. This chick actually sucked my dick from behind, blowing her nose while she blew my wad. How could she have anticipated the sensations I would feel as her mucus and snot wind swirled around my ass vent while she bruised her throat on my choad? A sane woman would never figure it out, but shatter-brain even intuited that she should shove her nose right up in there with the boogers and dingleberries. She was a genius; I exaggerate not. Unfortunately, she later tried to kill herself, then joined some church group and took her special gifts to benighted Third World hellholes. A tragic loss. But I've got my memory."

Most bughouse babes automatically supply a memorable odor, but it washes off with common soap and water.

Though vaginal hygiene may be alien to the moonstruck muff, she is also a stranger to notions of appropriate behavior, and is accustomed to being placed in restraints. What might seem like an aberration punishable by law to a girl in her senses is no more untoward than brushing her teeth is to a nut slut.

"Now, if only she could be persuaded to brush her teeth," laments Andrew Julia, a victim's-rights attorney who takes time out from bilking insurance companies to bind and tie a rapid-cycling schizophrenic for whom he filed multiple claims six months ago. "I mean, after all, I'm human too," Andrew contends, none too convincingly. "I have a heart and feelings. We even do foreplay. I'll give her some green gelatin dessert—those nuts all like green gelatin dessert; it's familiar and safe to them—and I won't reprimand her when she starts rubbing it into her panties. That kind of freedom of food expression really gets her juices bubbling. Of course, she doesn't know where to draw the line, and I have foreknowledge that she won't; so I'm prepared. I have an old, wooden coffin that's the perfect length for her to lie straight out on her back. I have holes drilled in the wood for air vents, and I place a sheet of clear plexiglass over the top. She's under there on her back, with not enough room to turn over, and I drop trou, climb up on the glass and give her a plate job. She goes crazy under there as my sphincters pinch off a few loaves. Her face comes up, lips sucking like a scavenger fish under the pile of steaming offal. She writhes and flops like a beached carp. It doesn't take me long to come, and in that tender moment of afterglow, I'm vulnerable. She just looks so sweet and trusting to me: I can't help it—a feeling of affection for her creeps over me, and I slide the glass off and give her a big kiss, right on the lips. Always the same thing happens: First I get the taste of green gelatin dessert, and then under that something funkier, something earthier, like a compost heap. It's like a

recurring nightmare. I realize I'm tasting the traces of all the guys who use her without benefit of the plate of glass.

"If only she would brush her teeth," Andrew Julia repeats.

Dirty molars are only one drawback of brain-sick chicks. Spending the entire night with an unhinged ginch is fraught with peril, as professional character reference George Philistine was loath to discover.

"I knew she was a nut," recalls George with the myopic vision of sentimental hindsight, "because only a nut would give me my money back after she'd fucked me, but I didn't have a clue that she'd go berserk. Usually, as long as you don't fuck with their medication—you know, give them booze or psychoactive drugs—mental patients are the nicest people you'd ever want to meet." Philistine had met his dame dementia in a topless/bottomless go-go bar. She had been there as a spectator, the same as he, only she'd been far more demonstrative. Her incessant show-and-tell comparisons of her own anatomy with that of the hired help got her thrown out well before closing time. Intrigued, George followed. He recognized a gleam of derangement in the woman's eyes, a gleam that had panned out for him in the past.

"The sex was great," he avers. "I wish I could remember it. But I fell asleep before she did. I knew better. I mean, I'd had maniacs sleep over hundreds of times. Thousands even, maybe millions. And I'd never had a full night's sleep with one of them. It comes with the territory. They wake up screaming, or they jump out of bed and start sweeping with imaginary brooms, or they shuffle out from the covers at 4 a.m. to stand first in line at the

medicine cabinet, and that's never any problem. But I'd never known terror until I came to with this haywire strip-club chick standing over me, swinging a douchebag full of piss two inches over my face. I tried to get out of the way, but she'd put my dog's collar around my neck and tied his leash to the base of the bed. It was my dog's piss in the bag too. I can still taste it. I haven't been able to meet his eyes since."

Relationships more primary than that of man and canine are at risk when dating the distraught.

"If I hadn't listened to my twin brother, Duncan, I'd still be married," laments Dennis Sandy, "with my wife doing the grocery shopping. I'd been complaining about my wife's reticence to perform fellatio, and Duncan said I'd get a great blowjob if I'd go down to the market, pretend to be him and flush out this crazy chick. Well, his plan worked. I ended up getting my noodle steamed out by a dumpster, which would have been fine as far as it went, except it went further. Duncan hadn't realized that emotionally unbalanced women have a tendency to form passionate attachments, and they know how to dial the phone. I have no idea how she got my home number, and neither does Duncan. I tried to tell my wife that she was just some nut, but she was very persistent. A restraining order means nothing to someone who's spent any amount of time on Thorazine. The second time the kook came over to the house, the wife went to live with Duncan.

"But I'm making the best of it. I've cleaned the kook up, and she actually looks pretty good. Now, if only we could get through the produce department without her shoving a carrot up my ass."

"Why, Mr. Thomas...how original!"

WILD RIDE

I'd kept cool on the smooth trip up the interstate, but when a man lets the selfish desires of his *cojones* rule his better judgment, it's a matter of time before he's hurting. When my four-wheel drive hit serious off-road landscape, I started pitching and heaving like a lassoed dogie. Every tendon in my limbs threatened to snap like dry twigs. My wife Lorna and her best friend Betty were no doubt having the time of their lives up in the cab. I was spread-eagle in the bed of the truck, my wrists and ankles locked securely by leather thongs to four eye hooks—which I had helpfully installed myself.

I was naked, but hidden from view by the cloth bedcover, which the girls had stretched into place after conning me and my cunt-crazy *cojones* into this humiliating position.

When the bucking truck finally came to a stop, the girls rolled back the canvas cover. Bright light made me blink. The girls were wearing sunglasses, tiny tube tops and ass-revealing shorts.

Betty straddled me, planting one leg on either side of my bare chest. The tip of my cock barely grazed the back of her butt. She didn't care. I stared—hypnotized—at the raised ridges of the areolas surrounding her thumb-size nipples, clearly outlined by the thin, lycra, electric-pink top.

"Ciao," said Lorna. "I'll get the cabin ready." *Cabin?* I thought. *What had these two wenches planned?*

Betty slowly stripped, a two-second operation she seductively stretched to half a minute. "You like what you see? I don't have to show it to you, you know. I don't have to do anything." She spat out her

gum and slid forward so that her pussy was level with my shoulders. "Do you like my body? Do you want to touch it and make me happy?"

With the leather plug in my mouth, I wasn't much of a conversationalist. She leaned forward, pressing her moist pussy against my face. I breathed in her musky aroma and wished the gag was gone so I could kiss her delicate lips. She had other ideas. Getting a grip on my hair, she mashed my face into her crotch and started rubbing off on me.

"A wimp like you doesn't deserve to lick my pussy," she boldly announced as her passion rose. I was able to bench-press 200 pounds and could easily break her in two. I damn near drowned in cunt juice as she repeatedly buried my nose in her hole.

When Betty's first orgasm started, I felt a slick tongue slide up the length of my shaft. A pair of lips enveloped my glans. My wife was giving me a blowjob while her friend jerked off on my face!

Betty stepped back to watch awhile. Lorna's mouth is one of the wonders of the world, and she was happy to demonstrate her skill to an eager pupil—especially showing how to tell when I was about to come so she could stop and make me beg for it. I got pretty frantic. My cock was theirs to torture.

Lorna laughed. "He's been trying to touch his dick ever since we left the house. We can make him come his way or our way. He doesn't have a choice. I'll let you decide whether to finish him off."

Betty looked into my eyes. I couldn't hide how desperate I was for satisfaction. She tapped my dick lightly, making it bounce. "Let's see how easy it is to make a horny man come," she said. She put one finger on my dick and rubbed it around. She knelt between my legs, facing me so I could see everything she did. She was touching me as little as possible.

First my dick started throbbing lightly, and then the throbbing spread to my ball sack. A bead of fluid appeared at the tip of

my cock, which Betty wiped off and smeared on her lips. The throbbing spread up my thighs and grew until I was grunting and straining. Suddenly I exploded, spraying cum all over my bare chest and stomach. Betty sat back to watch the fountain of jizz.

My orgasm would jump-start if she'd just touch my dick. I begged with my eyes, but she smiled and shook her head. "Later," she said. "I think you already got more than you earned."

Shit! This girl could've given *my wife* bitch lessons! I was left alone with a hard-on that could cut a diamond. Lorna and Betty came back every now and then and played with my cock. Betty finally granted me my fondest wish by impaling herself on my bone and riding me till I filled her with penis butter. When it grew dark, Lorna finally released me and read me the riot act.

Seems she'd hidden the truck keys. Hadn't bothered to bring any clothes for

me. The cabin she was borrowing was bare except for the food they'd brought. If I didn't toe the line the entire weekend, I'd have to walk out of the woods naked. Needless to say, I stayed indoors.

HOT LETTERS

When I'm feeling really raunchy, I love a good ass-lick. I pushed Peter to his knees, spread my cheeks and pushed my rosebud to his lips.

surrounded by weaklings. The minute I laid eyes on Peter, I started to drool. He's a wimp, a complete washout—guaranteed to thrive under my heel. He had to get on his knees and beg for sex before I spread for him. Sometimes I'd fuck him, and other times I'd make him eat my shaved quim or suck my tits.

When Peter came home from work, I made him wear whatever I wanted. I bought a dozen different G-strings with his personal humiliation in mind.

Some nights, I'd tie him to the bed, make him eat me, leave him with his cock still hard and return after midnight and finish fucking him.

My girlfriends couldn't understand why I was married to such a wimpy guy. I didn't tell them how thrilling it was to make him strip and then force him to lick my asshole. I was at a male strip club with two of my girlfriends when I couldn't stand their remarks about Peter anymore. I told them everything about our relationship.

Gina, a tall, dirty-blond 23-year-old with cupcake tits, changed her opinion of Peter when she heard about the ass-licking. Diane, a girl with an ass that drives men wild, got so interested in Peter, she wanted to leave the club right then and try him out. I said no, but I liked the idea of making Peter satisfy my friends. For the rest of the night, I teased my friends with horny info. "I fuck him up the ass when he's bad," I said. "I shaved all the hair from his cock and balls. Now he's silky smooth."

My friends got so horny, they followed me home. They ran to the bedroom, and there was Peter—tied spread-eagle on the bed. He turned red as a cherry, he was so humiliated. Gina tickled one of his feet. Diane ran her hand up his leg, felt his hairless crotch and said, "Let's have some fun with him."

I told them to wait in the living room so Peter could do a show. I untied him, dressed him in a tiny, blue G-string, put a collar and chain around his neck and told him to do whatever my friends asked.

When I'm feeling really raunchy, I love a good ass-lick. I pushed Peter to his knees, yanked up my skirt, spread my cheeks and pushed my rosebud to his lips. His obedient tongue immediately began licking me clean.

Gina and Diane stripped to their underwear. I told them to stop, because it was more fun to have Peter undress them. I handed his chain to Gina, who forced him to suck her tits. Just when she was getting into it, Diane grabbed his chain and told

him to take off her panties—with his teeth! He pulled down her pink panties an inch at a time. Gina took back his chain before Diane could use his tongue for deeper action, and they started fighting over him!

Not wanting a catfight, I came up with a game, the winner of which would get Peter first. I stripped Peter of his G-string and sat him down in the middle of the couch. Gina and Diane sat on either side of him. Each girl got to stroke his cock five times before handing it over to the other. The winner would be the first to make him shoot.

Gina used a hard, slow technique, but it was Diane, with her jackrabbit strokes, who made him spring a cum leak. We tied him to the bed and waited for his cock to get hard again. In a few minutes, it was jumping. Diane sat on his face. He started licking her clit. "Not like that," she growled. He tongue-fucked her cunt, and she still wasn't happy. When he licked her with long strokes from her clit to her asshole, she flooded his mouth with slimy honey, then sat down on his cock and rode him hard. She came twice before he blew his load and went soft.

Gina untied him from the spread-eagle position, grabbed him by the ass so hard she left scratch marks and flipped him onto his stomach. Then she tied his wrists. I opened up my goody drawer, which holds all my dildos and lubricants. She selected an eight-inch strap-on dildo and a tube of K-Y. Peter's cock was soft when she told him to get in the doggy position, but it was rock hard when she finished smearing the jelly on his buttock. To make sure the tool slid home, she finished her ass-fuck preparations by slipping three fingers up his poop chute and lubing his channel. Peter howled and tried to crawl away, but Gina grabbed his hips and plugged him hard. Every time she rammed, the base of the dildo rubbed against her clit. She fucked him faster and faster as her orgasm built. When her water broke, she drove the dildo so far into his ass, even the base of it disappeared. Without even touching his cock, Peter shot a double load onto the bedspread.

GANG RAPE

The dazed woman tried to assemble her torn clothing, a task made difficult by two guys who wanted a shot at proving their virility.

Incident—The kid slipped into his favorite faded bluejeans and checked himself out in the bathroom mirror. It was Saturday night, and Michael Lindell wanted everything just right. Anticipating a blowout at a friend's fraternity on the University of Rhode Island campus, the 20-year-old looked forward to getting a little drunk and maybe even finding a piece of female companionship.

Lindell arrived early at the frat on October 27, 1990, and probably didn't notice the arrival of an 18-year-old girl and her friend shortly after 9:30 p.m. The girls drank a bit and poked around, but the excess of alcohol and sexual innuendo quickly became tedious. Instead of simply leaving, one of the girls decided to explore the sprawling, 18-bedroom house.

She arrived at a bedroom on the third floor and bumped into a young man who introduced himself as "Dan." Dan began pawing at her breasts. When she tried to push him away, he threw her to the bed, held her down and roughly forced himself inside of her.

Around this time, Michael Lindell stumbled upon the sex scene. A small crowd had gathered like gawkers at a freeway accident.

Lindell was disturbed by what he saw, but could neither tear himself away nor move to intervene. He was frozen. After a few moments of intercourse, Dan dismounted the victim and left the room.

The dazed woman tried to assemble her torn clothing, a task made difficult by two guys who prevented her from getting dressed. They wanted a shot at proving their virility. Lindell felt himself becoming sick.

Finally, as they tried to push her back to the bed, a different man intervened. He threw the naked woman over his shoulder and carried her back to her dorm room.

Four days later, a freshman was arrested and charged with first-degree rape. But the victim was uncertain that the man charged was indeed the one who had raped her. As a result, authorities called on witnesses to identify not only the offender, but those who had watched the assault as well.

Michael Lindell sat in his family's home in Pawtucket, trying to piece the episode together. The former high-school football star, who friends later said had a history of personal problems, was drowning in a sea of guilt.

Just an hour or two before authorities were

to question Lindell about his involvement in the assault, he placed his roommate's gun against his forehead. Michael Lindell's life went dark. When he died, he took with him the secret of what he saw that night in a small room of a university fraternity.

* * *

While victims suffer uniformly tragic emotional effects of a sexual assault, offenders experience a disparate range of emotions. Some may instantly realize their mistake and feel considerable guilt. Others will justify and rationalize the assault.

"Many times there's confusion and denial about the act," explains a psychologist treating sex offenders at a major university, who will be called Dr. Liechty for reasons of anonymity. "They [the offenders] say, 'Well, this wasn't the nicest thing to do, but she was really enjoying it as much as we were.' They have a hard time realizing the harm their behavior caused the victim."

Unfortunately there are those, like Michael Lindell, who recognize a violation and want to help, but are intimidated against acting.

"If someone's being physically injured, and you're just standing around, then you might be frightened of stepping forward to break it up because the physical injury or trauma might be directed toward you," admits Dr. Fred Berlin, director of the Sexual Disorders Clinic at Johns Hopkins. "It takes courage to act, especially if people are afraid of being cut out of the group. But moral principles must supercede concerns about being accepted."

The desire to be accepted, however, will sometimes make a man ignore his true feelings and submit to the pressure of the group.

"Some people, who under ordinary circumstances would not sexually abuse someone, might take part under the stresses of peer pressure," explains Dr. A. Nicholas Groth, who's worked with sex offenders for 25 years and is the author of *Men Who Rape*. "One or two in the group act as ringleaders; the rest are sort of accomplices. The others ask themselves, *What'll the guys think of me if I don't participate?* They feel that they have chosen to be a part of this group, and [joining in a rape] is a part of being a member.

"When you get into the fraternity, they feel that these things are allowed in the name of good college fun," explains Dr. Berlin. "But this isn't just swallowing goldfish."

In 1989 there were 94,504 reported rapes in the United States, four times higher than any other country.

According to a ten-year study by the Department of Justice, one out of every five rapes in the U.S. is committed by more than one assailant. But, by one estimate, 80% to 90% of group rapes in universities are never reported. Confusion persists around the meaning of the phrase *gang rape*.

A woman may not literally say no, but if

GANG RAPE

Pornography has come under attack by those who view it as the place "where men learn how to be sexual without being intimate."

she is unable to consent to sex because of intoxication, retardation or physical intimidation by a male group, then the offenders can be charged with rape. Even without penetration, those who watch others have sex or secretly videotape the act are committing a violation that can result in conviction.

Incident—Glen Ridge, a small town in New Jersey, prides itself on championship high-school athletics. The stars of the local teams are well-known and respected members of the community.

On the afternoon of March 1, 1989, members of the high-school football team were hanging out in a park trying to kill the mid-semester blues. They met a 17-year-old girl who lived down the street from some of the boys. She had always wanted to be a part of this elite group, but her mild retardation made her an outcast to a group that thrived on perfection. That is, until the boys sadistically recognized her usefulness.

The group, about 13 in all, took the girl to the basement of one of their homes. They stripped the young victim and prodded and penetrated her vagina with broomsticks and mini baseball bats that the boys were thought-

ful enough to lubricate beforehand. At least one guy allegedly made the girl masturbate him while the others watched and cheered.

For days afterward, many of the boys bragged about the event, assuming that taking advantage of an underage, mentally retarded girl would raise their already exalted status as star athletes. Only when three of them were charged with assault did the bragging stop.

"Why would you brag about being abusive sexually?" asks Dr. Groth. "They [the offenders] must see this as some kind of conquest with no harm done. But you have to ask, 'What kind of a man are you that you have to force somebody to have sex with you?'"

"Men have to think about the consequences," concurs Dr. Liechty. "What's it going to do to that other person?"

There's also the hidden consequence that members of a group risk spreading a variety of diseases that today can prove fatal. Nevertheless, gang rape persists.

Many psychologists find similar motivating factors of anger and dominance among both the individual and group rapist. The crime and punishment of "Matthew," a 33-year-old individual rapist, exemplifies some

psychological differences that separate the two kinds of offenders.

Matthew was adopted when he was only a year old and, until the age of 12, was beaten and forced to have sex with his adopted mother. She dressed him in women's clothing as a form of punishment. Finally, authorities intervened and placed him in a Catholic group home for protection. While in the home, he was molested by a foster father.

Matthew raped three times after he left the home, in each case forcing his victims to undress and fondle themselves in a manner similar to what his mother had made him do to her. He never penetrated or physically abused his victims, but masturbated, ejaculated and then released them.

After each assault, he experienced a surge of guilt and depression and turned himself in to police. Although he begged for treatment, he was quickly paroled each time and would immediately rape again. Finally, he saw suicide as his only solution. After the attempt failed, authorities recognized a rape tendency in Matthew and provided help.

While in therapy, Matthew met three convicted members of the infamous New Bedford pool-table incident on which the movie *The Accused* was based. Unlike Matthew, who raped out of anger and confusion stemming from his upbringing, the perpetrators of that gang rape were raised in a classic male-dominated environment.

"There's a problem point-blank even when you're a male in an average American family," Matthew explains over the phone from an undisclosed location. "In society, when you're growing up, women are automatically inferior and deserve to be exploited. When your dad's out drinking beer, riding motorcycles, beatin' up ma and having sex with other women, what are you gonna think growing up as a kid?"

"And even though they know [gang rape] is wrong, a part of them says, 'Aw, this ain't wrong. It's just a lady here.'"

Outside organizations are important in shaping a child's mind. Religions, such as Christianity, profess male dominance in their dogma. Schools remain outdated and taciturn when it comes to sexual education. The media presents an overabundance of male-dominated images that use sex, often in unreal situations, to sell both movies and products.

Pornography has come under attack by those, like Dr. Liechty, who view it as the "applause to rape" and the place "where men learn how to be sexual without being intimate."

Others disagree. "Blaming pornography is removing responsibility from the person and placing it on something external," says Dr. Groth. "There are a lot of themes of control and male dominance over women in movies like *Gone With the Wind*. Pornography is not

SEX FOR SALE

For an average price of \$20, a street whore will gargle scum. A blorch into her vagina carries an average charge of 60 smackers.

From street whores and "health" spas, to rent-a-cunt services and tits-in-your-beer bars, the American night is awash in a sloshing sea of jizz and pussy juice!

Sure, AIDS, STDs and general antisex attitudes have put a crimp in the cooze, but a fistful of dollars can still buy gash.

In some locations, some forms of sex biz have dwindled, but troll the whore-strolls of most major American cities, ring up the escort services or visit the massage establishments and Oriental health spas advertising in any alternative newspapers or yellow pages. An enormous flock of hot bimbos are eager to plug pecker into fuck-sockets.

* * *
Rule Number One: When cruising for commercial cooze, leave the Rolex, credit cards and excess cash at home.

Anywhere ladies strut for bucks, a certain smell is in the air. That smell is testosterone. Guys who haven't gotten laid in years and are as horny as hat racks; guys who have just drained their lizards and are feeling empty and pissed off; guys whose only hope of getting laid or stoned is to bop a chump's skull and pocket his cash.

Rule Number Two: Even if a prostitute looks healthy, clean and sweet, *use a rubber!*

Where the Girls Are

1. Flesh Dancers

The tit bar/peep scene varies from city to city, but certain common themes prevail. Many cities still have live peep shows with broads behind individual windows. Enter a booth, plunk in a token, and a sliding curtain rises. Through the glass, a girl or girls frolic nude or nearly so. Some peeps add a telephone, by which the young lady may be directed as she peels out of what little she's wearing while the viewer spanks his monkey.

Topless bars vary from town to town too. In some, the girls strip bare, lie on their backs and jerk their cunny lips open wide enough to plaster a dollar bill over their cervixes. In some they dance at individual tables or in a patron's lap. In others, the G-string stays on, and pussy-flashing is frowned upon. Still other joints are "stopless" rather than topless—the danseuses must wear tiny, nip-sized pasties to cover the tips of their titties.

The girls at fair-to-good bars tend to be young, fresh and healthy-looking. And why

shouldn't they be? Dancing's good exercise, and the talent is picked for their looks. But tit bars are by and large dry hustles. The customer gets to stare at painfully gorgeous babes right up close—close enough to stuff folding currency into their G-strings and get a wink and a smile in return.

The customer, in all likelihood, will also leave the bar feeling hornier than he was upon entering. He's now fair game for the street hookers that often circle in the shadows.

2. Out on the Street

The street-hooker scene in many American cities rolls on slightly less rambunctiously than in pre-AIDS days. For an average price of \$20, a street whore will gargle scum. A blorch into her vagina carries an average charge of 60 smackers. Cheaper fucks can be acquired, depending on a wide range of variables.

One variable is race. Since more black whores than white patrol most American cities, African-American harlots tend to command slightly lower fares than Anglos. Another factor is the amount of traffic on a given night: A hooker is likely to reason that something's better than nothing when business is slow. Even the weather affects pussy pricing: On a particularly cold or rainy evening, a street whore may welcome the opportunity to warm up with a hot bone in her throat; on a warm and muggy night, she may want to cool down in an auto's air-conditioned comfort.

Twenty may well turn into ten; and 60 can be 40 or even 25.

It's not just ragged-out crack fiends out there offering their openings to all comers. Nice, white, angel-faced slut queens, with nothing behind their pretty faces but dick space, prance the street corners of many an American metropolis, wearing nothing but high heels and Victoria's Secret underwear, raring to go, any place, any time, from pickup truck to ho' hotel.

3. A Touch of Ass

For something a tad more upscale and exotic than a five-minute front-seat cocksucking from a street whore, a few extra dollars gain entry to Japanese/Korean/Oriental health spas, advertised in many local yellow pages under Massage. Presumably *health* in the Oriental medical pantheon demands regular and thorough siphoning of scrotal poisons.

Forty dollah for house, negotiable tip for girl. A hot, little, high-heeled "masseur" from the Pacific Rim escorts the cultural explorer into a nice, clean massage room, lays him back on the padded table, squats on his prick and spins.

Street whores vary in attractiveness from gruesome to beautiful; at the Oriental spas, the range is a bit narrower. The worst ass in the best parlors is fairly okay. The lady's hair will be straight and black (unless she's permed it), and the probably sparse hair on her twat will be slightly wavy rather than

“When I come across a headstrong mare that lacks proper respect,” declares 21-year-old equestrienne Vicky from McMinnville, Tennessee, “I jump her, grab her mane, dig in my spurs and break her down.”

She's fakin'. There's a soft spot under her hard ass. Why else would a girl keep so much sugar in her pocket?

kinked. She won't have much to write home about in the butt department, and unless she has invested in silicone, her knockers will be more suitable for cupping than for making into a choo-choo tunnel for dick.

Many spa managements will not discuss sex offered by the girls in detail. Anything that goes on between the trick and the treat is subject to private negotiation. Expect prices somewhat above street rates and somewhat below escort-service charges.

4. Room Servicing

Climbing even higher on the pussy price scale, your fingers can do the walking for outcall hookers too. Thumb through the yellow pages to E for Escort Services, and call 'em up. An agency will contact a suitable slut.

Don't be shy about setting standards in terms of the lady's appearance. Be very forthcoming as to preferences in age range, body type, hair color and skin tone.

Be prepared to pay between \$75 and \$100 as an agency referral fee, with prices for services rendered by the escort at least equaling the agency fee. A come-to-you cunt will cost between \$150 and \$200.

Note: The strip-club information in this ar-

ticle was prepared with the cooperation of *Exotic Dancer*, an annual city-by-city guide to strip clubs and dancer agencies in the U.S. and Canada. For ordering information, call 817-485-1513.

* * * 1. Boston

The economic collapse of the Massachusetts Miracle has caused untold hardship and suffering for the citizens of Boston, and numerous benefits for fans of commercial sex.

Boston's red-light district, the Combat Zone, was saved from extinction by the collapse of property values on Washington Avenue, the Zone's main drag. A number of strip joints are now having the last laugh. These include the Naked I Cabaret (666 Washington) and the Glass Slipper (16 La Grange Street).

In Boston clubs the babes are stark naked. They don't need pasties or G-strings. Neither club charges a cover, and both serve booze. But while anything goes in the Zone, elsewhere in the city blatant sex establishments are forbidden; so hit the outlying towns for more strip clubs.

The buck-naked broads at Alex's, on Wash-

ington Street in Stoughton, attract a genteel crowd of wankers. They attract a cover charge too—\$7 to \$15, depending on the night.

Aside from the phone book, the *Boston Phoenix* is the paper of raunch record. The "Entre Nous" section features tons of ads for outcall slut services and incall massage establishments, and competition is stiff. "Massage by women...\$10 discount on Sundays with this coupon." Sunday pussy discounts—a nice, devout touch for this Catholic town.

The real Massachusetts Miracle is the number of white, middle-class girls who rent penis space on the streets of Boston proper. Check out the South End area around Tremont Street and Herald for a selection of young, attractive doxies.

Many of the prowling trollops here will be dressed not in flashy garters, hot pants or lingerie, but in ordinary street clothes. Oh, that New England puritanism.

2. Chicago

Outwardly visible forms of commercial sex have all but dried up and blown away in the Windy City, but there is still sex to be bought here—just be a smart shopper.

The '70s saw topless joints galore—on Manheim Road, in suburban Lyons and on Half Day Road in the far west of the city. The few remaining outposts of sleaze in the city proper can be found on South Halston Street and on Clark Street—strip joints, porn booths and peeps. Total nudity is pretty much out.

Likewise, the streetwalker is a vanishing breed. Some sluts still troll the West Loop fringe areas—on Lake and Racine and in the far South Loop, south of Roosevelt Road and Michigan Avenue.

Meanwhile, outcall services have multiplied dramatically. In addition to the trusty yellow pages (just under a dozen Oriental massage parlors advertise there), six to eight pages of display ads for outcall agencies are in the *Chicago Reader*.

There's a catch: Someone coming to Chi Town without a friend-of-a-friend referral to a specific escort agency may find it difficult to arrange a suck 'n' fuck via the phone. Unless he is known to the agency, a caller will be told most emphatically that his escort is for "dinner-plus only." The agency fee alone for the honor of wining and dining a slut will be about \$100. Attempts to get specifics about what the hired hole will eat result in a direct hang up.

So tread lightly, but be clear and insistent about requirements in terms of age, hair color and so on. Arrange the specific suckee-fuckee details with the bimlette herself upon arrival.

3-4. Dallas/Forth Worth

The Dallas/Fort Worth Metroplex is a quintessential example of urban sprawl, with the two cities spreading toward each other like amoebas in heat. The area's sex scene is sprawled out too—small pockets of prurience scattered through deserted

SHOES

Dallas hookers recently disappeared in the wake of a killer who mutilated three prostitutes with what was described as "surgical skill."

commercial neighborhoods like a glowing island in the night.

Raunch establishments include 24-hour bookstores, topless bars and "bikini modeling" fuck joints. The area also boasts one kind of sex establishment so surreal that it might have been invented by prostitutes from Mars: the all-night lingerie shop.

In the midst of a strip of shabby stores will be a small business with windows housing cheap female mannequins—many missing limbs—draped in tawdry fuck-me underwear. The door will be locked, but press the front buzzer, and a female emerges from the back. She may be Oriental. She is unlikely to be beautiful. She will usher the caller into the back rooms, where...get the picture?

The negotiable house fee in bikini- and lingerie-modeling joints averages \$40, and tips are in the same range.

In Dallas, Harry Hines Boulevard between Northwest Highway and Royal Lane, and the surrounding area, offers several miles of late-night vice, including lingerie stores and tit bars galore—but the latter have mandatory G-strings.

One complex at 3039 W. Northwest High-

way, near the intersection of Harry Hines, contains the Mansion, Players, Baby Dolls, the Fare and Déjà Vu. Many of the girls dancing are in the cute-to-raving-beauty range. Admissions go from no cover to \$5. Down the block, Caligula's books porn starlets.

In Fort Worth, Fantasy Foxx at Lindale and S. Loop 820 is a club that has totally nude dancers. The Foxx doesn't serve alcohol, but customers can bring their own.

The Metroplex usually has a lively street-whore scene. Harry Hines street hookers walk the broken road, charging \$20 to \$30 for a blow, \$40 to \$60 for a suck/fuck. A handful of white girls cruise in cars, flagging down johns or parking on the shoulder with interior lights on. But street hookers recently disappeared in the wake of a psycho killer who mutilated three prostitutes with what the *Dallas Times Herald* described as "surgical skill."

The Metroplex phone books offer well over 50 numbers of escort services. A dispatcher gives a prospective client's number to a hooker in transit. The girl calls in by car phone and further describes herself. The fee for the agency is \$75 to \$100, with the tip for the girl about the same.

5. Florida: West Palm Beach/Lake Worth to Fort Lauderdale/Hollywood

From urban sprawl to beach sprawl—Florida's east coast is one town after another devoted to the great American pastime of doing nothing: Retirement and vacation communities are nearly the area's sole reason for being. Combine the large transient population with poor economic conditions, and beaches abounding with young females. Primo prostitution conditions.

Much of the action, both street and otherwise, is centered on or near the north/south coastal road known as Route 1 (also called Dixie Highway or Federal Highway). In many areas, the mix on the street is about half white and half black or Hispanic, and the majority all drugged-up. Some nice-looking mamas, and many that look pretty grim. The astute shopper will be able to purchase a blowjob in the \$10 to \$25 range, and a suck/fuck for \$20 to \$50.

Outcall services advertise in the local papers and the trusty yellow pages. Look under E for Escort, M for Modeling and D for Dancers, of all things. Average price (complete) is \$125 to \$150.

The club scene is varied too. In Boynton, the Showtime Lounge at 1115 N. Federal Highway has dancers that are merely topless, but "private nude dances" can be arranged. In Fort Lauderdale, the girls at Jiggles Lounge are totally nude. Call ahead to discover if the gals in the club get as nearly naked as necessary.

6. Los Angeles

A few years back, armies of tramps strutted up and down Sunset Boulevard: fat whores, skinny whores, young whores, old whores. Whores on roller skates. Now there are none. The street-slut scene has moved out into the Valley, and the Strip is presently where the girls aren't.

Except in clubs. They get as naked as the day they were squirted out of their mummies' squacks at the Seventh Veil (7180 Sunset Boulevard), Venus Faire (6452 Lankershim Boulevard), the Body Shop (8250 W. Sunset Boulevard) and Star Strip (365 La Cienega Boulevard).

The *L.A. Star*, one of the nation's oldest sex rags, is still humping along, although many of its ads these days are for phone sex. Local directories do carry the usual Escort and Massage ads, but itchy fingers may find it a tad difficult to do the walking in L.A. because there is no directory for the whole city, just area-by-area guides.

7. New York City

On a recent early-evening drive-through of the Lincoln Tunnel area in midtown Manhattan—a prime street-hooker zone for untold years—the sidewalks were bare, with hardly a hooker in sight in the entire 28th-to-50th-Streets and Ninth-to-Eleventh-Avenues rectangle.

HUSTLER HUMOR

A sweet young thing was taken to a fancy restaurant by her elderly employer. After a few cocktails, the young lady ordered a pâté de foie gras, an endive salad, chateaubriand, dessert and coffee, along with the most expensive bottle of French champagne the establishment served.

The old gentleman stared quizzically at her. "Your mother feeds you this way?" he asked.

"No," replied the young lady, "but my mother doesn't want to fuck me either."

Question: What new use have West Virginia boys found for sheep?

Answer: They get wool from them.

Two old retirees sat down for breakfast. "Christ, George, you look like shit!" one said to the other.

"Yeah, I'm exhausted," replied George. "I pulled a muscle last night."

"Pullin' a muscle shouldn't make you tired."

"It does when you pull it a few hundred times."

Johnny came running home from school and cried. "Dad, I don't understand all of the words the big kids use."

"Well, sit down then, son, and I'll explain them to you," his father said.

"Okay, Dad, what's a pussy?" asked Johnny.

"You've seen your mother naked?" the father replied.

"A pussy is the clump of hair between her legs."

"Well, then," continued Johnny, "what's a bitch?"

"That, my son," answered his father, "would be the rest of her."

To pass the time on a long flight, Pope John Paul II was working on a crossword puzzle. He leaned over to the archbishop and asked, "Begging your pardon, but what would be a four-letter word for woman that ends in U-N-T?"

"Why, that would be *aunt*," the archbishop replied.

The Pope then asked, "Do you have an eraser?"

Farmer Hosea was happy that his new hired hand seemed to have increasing knowledge and motivation; so he decided he would take a much-needed business trip to the city, with his mind at ease about his farm. "I'll be gone for a week or so, Mel," he told the new man, "and I'm leaving everything in your hands."

Mel slapped him on the back and told him to rest easy, but greeted his employer with a long face when he returned. "Got some bad news, Hosea," he admitted. "Know those 28 prize heifers? Well, they got into the river during a storm, and all but six drowned. Then there was a fire in the barn, but we put it out before it got to the house."

"Jesus, I hope that's all the bad news."

"Not quite," admitted Mel. "During the storm it hailed, and we lost the whole crop."

"Oh, my God," cried Farmer Hosea, "don't you have any good news?"

Mel's face brightened. "As a matter of fact, I do. Remember those nasty bleeding spells your wife used to get every month? Well, I got them to stop!"

The HUSTLER Dictionary defines *German tampon* as: a twatstika.

A man first noticed his penis was growing longer and was delighted. But several weeks and several inches later, he grew concerned and went to see a urologist.

While his wife waited outside, the physician examined him and explained that, though rare, his condition could be corrected by minor surgery.

The patient's wife anxiously rushed up to the doctor after the examination and was told of the diagnosis and the need for surgery.

"How long will he be on crutches?" she asked.

"Crutches?" the doctor asked.

"Well, yes," the woman said. "You are going to lengthen his legs, aren't you?"

Question: What does an African-American parrot say?
Answer: "Polly want a white woman."

It was the first day of the new term at Princeton, and a black freshman was learning his way around the campus. Stopping an upperclassman, he asked, "Say, can you tell me where the library is at?"

"My good fellow," came the reply, "at Princeton, we do not end our sentences with a preposition."

"All right," said the freshman, "can you tell me where the library is at, motherfucker?"

THE OUTRAGEOUS LIFE AND
FILMS OF DAVID FRIEDMAN

Overview by James W. Harris

SO ADULT
IT SMARTS!

The Sultan

of Sin! The King of Sleaze! The Raja of Ribaldry! The Sleaziest Man Alive! From the mid-1940s through the 1980s, David Friedman has been promoter, producer, writer, director, actor and distributor of the most legendary sex, sleaze and horror pictures ever made.

Blood Feast. Two Thousand Maniacs. Ilsa: She-Wolf of the SS. Thar She Blows. Color Me Blood Red. The Erotic Adventures of Zorro. She Freak. Bummer. Scum of the Earth. Trader Hornee...

The list goes on, a catalog of dozens of outrageous films dealing graphically with two recurring primal subjects: sex and violence.

A cinematic groundbreaker, Friedman helped push back the boundaries of what could be shown onscreen. In the '60s and

early '70s, he pioneered whole new genres of films that explored—and cannily exploited—the most taboo areas of the American psyche.

A champion of free speech—"I'll defend any adult's right to see any goddamn thing he wants to see"—Friedman was cofounder and longtime president of the Adult Film Association of America. For 30 years he fought First Amendment court battles across the country.

Film critic Jim Morton sums up Friedman's far-reaching career: "Few people have done more for sexual freedom in this country than David Friedman."

And had a hell of a lot of fun doing it.

Freaks, Geeks and Pickled Punks

David F. Friedman, 67, is a charming, intelligent, distinctly unsleazy man who loves to laugh. Retired from filmmaking now, Friedman deserted Hollywood a few years ago for a hilltop manor in his boyhood hometown of Anniston, Alabama, where over half a century ago, young Friedman became fascinated by movies, show business, carnivals and circuses.

"I first ran away to join a carnival when I was seven," Friedman says. He spent much of his youth traveling with carnivals. He

worked as a barker for girly shows and freak shows, touring for a while with his own "pickled punk" exhibit—a sideshow attraction of aborted fetuses floating gloomily in jars of formaldehyde.

The spiel that lured gawking yokels into girly shows 50 years ago rolls easily out of Friedman's mouth: "Hey, this is the show where they put it on, take it off, wrap it up, roll it out and throw it right at you! This is the show for those between the ages of 18 and 85. If you're under 18, you wouldn't understand it. If you're over 85, you couldn't stand it..."

In many ways Friedman's film career was an extension of his carny days. He was still

luring audiences with promises of sex, freaks and other forbidden horrors.

After World War II—which Friedman spent stateside with the Army Signal Corps, showing gruesome venereal-disease films to fresh recruits—Friedman struck out on his own as a promoter and distributor of lurid, low-budget films, crisscrossing the states, using garish, misleading ads and carny razzle-dazzle to draw crowds into tepid, sexless sex-education and birth-of-a-baby flicks with titles like *Mom and Dad* and *She Shoulda Said No*.

Enter Herschell G. Lewis.

In April of 1959 a momentous event occurred in the history of sordid culture: Friedman met a lanky, young Chicago filmmaker named Herschell Gordon Lewis.

Friedman liked Lewis's intelligence, his command of the English language, and his no-nonsense view of film as a money-maker. Lewis, in turn, was fascinated by Friedman's flamboyant Southernness, roguish demeanor and carny lingo. Lewis

was a master of ultra-low-budget techniques. Friedman knew what kind of films would sell, and exactly how and where to sell them.

Most importantly, both men shared a sardonic sense of black humor and a willingness to commit almost any outrage to film in the interest of making a buck.

As Lewis put it: "I can shoot anything. I can shoot a garbage pile. I can shoot a man jumping off the Empire State Building, if you can get somebody to do that."

It was "the greatest team since Barnum and Bailey," Friedman laughs today.

The Birth of the "Nudie-Cutie"

In early 1961, sparked by a suggestion

from a burlesque-club owner, Friedman came up with a whole new type of sex film: the "nudie-cutie."

In previous American cinema, sex and nudity had always been presented in the guise of phony moralism, of providing sex education, of making a serious artistic statement or for other lofty-sounding, bogus reasons.

Friedman decided to make a funny, unpretentious film that would simply show horny males what they wanted to see: naked women. No hypocrisy, no phony moralism or pseudo-artiness.

And thus, *The Adventures of Lucky Pierre*. Puffing furiously on cigars, Friedman and Lewis banged out a gag-filled, pun-laden script in about five hours, describing the adventures of a bumbling buffoon always somehow running into curvaceous, nude babes.

A couple of days later, they rounded up some models willing to act in the buff and began shooting.

Probably no one ever made a 35-mm film so cheaply. *Lucky Pierre* was shot in four days. Friedman and Lewis were the entire crew—Lewis on camera, Friedman handling sound. The actors clapped the slates at the beginning of each scene, threw down the slates, then began acting.

There were virtually no second takes. The pair shot 7,400 feet of film and used 6,200 in the final film. The total cost: a bit over \$7,000 for a full-length 35-mm film, complete with theme music (composed by the multitalented Lewis).

By today's standards, *Lucky Pierre* seems incredibly tame. No full frontal nudity, no strong language, and certainly no sexual contact, implied or graphic—just bare breasts and behinds, and a sense of good-humored naughtiness.

But in the pre-HUSTLER early '60s, *Lucky Pierre* was revolutionary—hot stuff for panting male audiences who stood in line to see it, drawn like moths to a flame by a Friedman ad campaign that promised: Delightful Delectable Desirable Delicious Damsels Devoid of Any and All Inhibitions! Friedman's posters further boasted that the flick was filmed in Cutie Color and Skinamascope.

Along with Russ Meyer's similar *The Immoral Mr. Teas*, filmed a year or so earlier, Friedman had ushered in a whole new form of sex film. During the next three years alone, more than 150 variations on the theme of *Lucky Pierre* would be ground out by imitators.

Adult cinema would never be the same.

Volleyball Epics

Flush with success, Friedman and Lewis jumped into the burgeoning nudist-colony film market. Onscreen nudity was still forbidden by many city and state censor boards. However, since nudism was a legitimate way of life practiced by thousands of Americans, showing nudity within the context of a nudist camp, without sexual overtones, was legally acceptable.

Zero-budget entrepreneurs cranked out reel after reel of smiling, tanned nudists swimming, sunbathing, practicing archery and—especially—playing endless games of volleyball.

In the four volleyball epics that Friedman and Lewis shot in Miami between 1962 and 1963, Friedman hired beautiful models to replace the less-than-stimulating real-life nudists, added plots to what had been a

documentary genre, and even made "the world's first nudist musical," featuring a nudist nightclub singer.

Friedman's greatest innovation came while shooting *Nature's Playmates* in 1962. Sick unto loathing of volleyball scenes, Friedman came up with an inspired substitution: nude trampolining! Birthday-suited, buxom babes bouncing, flouncing, wiggling and wagging up and down on a trampoline.

It might not have been great art, but it beat volleyball.

In between grinding out sun-and-skin pics, Friedman and Lewis made *Scum of the Earth* (1963), a story about a brutal pornographer who forces innocent, young women to pose for him. *Scum* was dark and violent, shot in black-and-white to add a primitive, mean, "dirty" look reminiscent of old stag films.

Scum of the Earth was one of the earliest of what the trade press would dub "Roughies"—hard-boiled action flicks combining sex with violence. Like *Lucky Pierre*, *Scum of the Earth* would inspire endless imitators over the next decade.

"Whatever small place I have in posterity," Friedman has written, "is due mainly to a really revolting little movie I produced in 1963."

Blood Feast

It was January of 1963, and Friedman and Lewis were worried. Nudie-cuties profits seemed uncertain as armies of filmmakers hacked them out, flooding the market. The pair needed a new subject matter, something no one had yet exploited, something the major studios wouldn't touch.

They made a list of vile, shocking, forbidden film topics: Nazi slave camps. Torture.

SIN SULTAN

Besides blood, the only props were animal organs, entrails and bones, obtained from a meat-packing firm and used to disgusting effect.

Miscegenation. Con-man evangelism. Gore. Gore. No one had shown that before.

* * *
“Gruesomely Stained in BLOOD COLOR!”

Opportunity knocked. The pair was hired to shoot yet another nudist film in Miami, this one starring 48-24-36 stripper Virginia “Ding-Dong” Bell. *Bell: Bare and Beautiful* was a typically ridiculous nudist film: A millionaire falls in love with Bell, woos her in a nudist camp, rescues her from danger and wins her heart.

After shooting the last volleyball-epic scene, Friedman and Lewis plunged ahead with their talked-about gore film, using many of the same crew and cast from *Bell*.

First they had to find the right blood.

As Friedman puts it: “The principal prop, the principal visual effect, the principal everything of *Blood Feast* was blood—buckets of stage blood.”

Traditional stage blood wasn’t realistic enough—and it couldn’t be safely swallowed. That second point was important, as actors would be spitting, oozing, drooling and vomiting blood from their mouths throughout the film.

Lewis hunted up a Miami cosmetic com-

pany—with the wonderfully ironic name of Barfred—who concocted gallons and gallons of the most gruesomely realistic blood ever seen onscreen. The stuff was safe to hold in the mouth, even to accidentally swallow. However, Friedman and Lewis carefully neglected to mention that one of the main ingredients was Kaopectate.

Before *Blood Feast*, whenever anyone died onscreen, there was little blood shown, even in horror films. Victims gasped, clutched their little wounds and fell over quietly. Death was politely implied, rarely shown.

Blood Feast changed all that forever. Limbs would be hacked off screaming victims. A woman was skinned alive. An eyeball was popped out. Breasts were sawed off and cooked in an oven. A skull was cracked open, and the brains scooped out. A maniac graphically tears out a young woman’s tongue by the bloody roots.

There had never been anything remotely like *Blood Feast*. As Friedman laughingly puts it: “No one had dared to dream.”

Besides blood, the only real props were animal organs, entrails and bones, obtained from a local meat-packing firm and used to truly disgusting effect throughout.

Blood Feast’s plot was grisly, ludicrous nonsense, partly typed out, partly improvised and partly scribbled on cocktail-lounge napkins. It told the story of Fuad Ramses, a mad Egyptian caterer who slaughters nubile virgins, collecting various body parts in order to prepare the “Feast of Ishtar,” a disgusting ancient Egyptian rite designed to bring the nasty goddess Ishtar back to life.

Friedman and Lewis didn’t waste time or money. *Blood Feast* was shot in a quick five days for around \$24,000.

* * *
Vomit Bags and Critical Acclaim

Friedman and Lewis knew they had something different. The first sign came when a film-lab worker threw up while developing the film. Friedman asked his wife, Carol, after a private showing, what she thought of the film. She gave a one-word review: “Vomitous!”

Friedman ordered thousands of vomit bags to be handed out to ticket buyers, each emblazoned: You May Need This When You See BLOOD FEAST.

Friedman and Lewis went all out. The poster was an eyeball-blaster: a maniac butchering a semiclad beauty with a meat cleaver. Blood ran from the victim’s wrist to spell out the film’s title in gore-dripping letters: BLOOD FEAST!

You’ll Recoil and Shudder as You Witness the Slaughter and Mutilation of Nubile Young Girls—in a Weird and Horrendous Ancient Rite!

And it was filmed in: BLOOD COLOR.

For the trailer, Bill Kerwin, one of the actors, faced the camera and, in serious, concerned tones, urged “those with heart conditions or under the age of 16...not to attend this motion picture.”

But would anybody pay to see such a thing? For that matter, would any decent exhibitor dare show such a monstrosity?

Nervous, the two decided to give *Blood Feast* its world premiere at a Peoria, Illinois, drive-in. *Feast* was a sensation in Peoria, with cars backed up two miles from the theater.

The box-office smash eventually grossed, so to speak, over \$6 million.

All across America, unsuspecting filmgoers screamed in horror, or watched in shocked silence, or fainted, or ran from theaters in disgust and horror. Or threw up. For many stunned viewers, *Blood Feast* was the cinematic equivalent of having two fingers rammed down the throat. John Waters, creator of the notorious *Pink Flamingos* and numerous other sleaze classics, recalls watching *Blood Feast* in a local Baltimore drive-in and laughing in amazement at “teenage couples hopping from their cars to vomit.”

With its unprecedented sadism, gore and violence, *Blood Feast* had virtually no censorship problems in America (though it was

"I'll keep him covered...radio Parking Violations and tell them we've got their man!"

SIN SULTAN

In the trailer for *Starlet*, a deadpan announcer booms out: "If you are under 18, you are breaking the law by even seeing this preview!"

banned outright in numerous foreign countries for its extreme violence).

That doesn't surprise Friedman.

"In the U.S., sex is the big taboo, but violence is fine," he notes. "God help you if you show somebody touching a lady's breast, but it's okay to cut it off with a hacksaw. That's what American censorship is all about."

Blood Feast revolted and horrified mainstream American film critics. The *L.A. Times* denounced it as "grisly, boring movie trash... a blot on the American film industry." *Newsweek* labeled it "abominable... garbage."

Even today, nearly 30 years later, *Blood Feast* shocks viewers and remains controversial. Hundreds of articles have been written, and continue to be written, about it. It regularly shows up on worst-films-of-all-time lists. At the same time, critics with an appreciation for low-budget horror rank it as an all-time classic. Friedman says it still gets bookings in Carolina drive-ins.

Love it or loathe it, *Blood Feast* is the great-granddaddy of the splatter/slasher/gore genre that is an industry staple today. *Friday the 13th*, *Dawn of the Dead*, *Halloween*, *Texas Chainsaw Massacre*—these

and a thousand other atrocities are all descendants of a manic bit of inspired, ultra-low-budget sleaze, ground out in a couple of days as a lark.

Years later, when Lewis learned that the prestigious French film journal *Cahiers du Cinéma* had listed him as a subject worthy of further research, his laconic reply was: "Well, they also say that about cancer."

* * *
"The Great Clown Prince of Dermapixville"

Delighted by *Blood Feast*'s amazing success, Friedman and Lewis knocked out two more low-budget, high-shock films: *Two Thousand Maniacs* (1964) and *Color Me Blood Red* (1965).

Then Friedman broke up with Lewis—"Honest people, friends, arguing about money—stupid," he now says—and headed for Hollywood. He churned out a series of soft-core sex films that soon made him the largest producer and distributor of adult films in America.

Friedman's '60s soft-core flicks stand head and shoulders above most of the thousand or more made during that decade for two reasons. One was quality. Friedman

used top talent, like a young cameraman named Lazlo Kovacs, who would go on to win an Academy Award a few years later.

The major difference was Friedman's trademark: a wild, zany, boisterous, elbow-in-the-ribs sense of humor. Friedman's best sex films—scripted by himself—are filled with vaudevillian gags, inside jokes, puns, parodies and inane plot devices. Friedman finds sex inherently funny—"I laugh when I screw," he says—a sense of ribaldry reflected over and over in his films.

He gave his characters, cast and crew cornball monikers like Peter B. Hard, Linda Hand, Mona Lot, Joy Boxe, Daisy Chaney and the immortal Phil Latio, a regular character in Friedman's films, showing up as Sergeant Felipe Latio in 1971's *The Erotic Adventures of Zorro*.

The plots frequently parodied Hollywood clichés. *Trader Hornee* (1970), judged the best adult film of 1965-1970 by the Adult Film Critics Association, mocked every cliché of Hollywood jungle pics, from blond jungle goddesses to girl-napping gorillas.

Starlet (1969) was a tongue-in-cheek exposé of Hollywood and the sex-film industry—set, wryly, in Friedman's own company, Entertainment Ventures International, with Friedman playing a sleazebag pornographer.

Friedman's humor shows up best in his coming-attraction trailers, which were, in a sense, celluloid versions of the old girly-show come-ons he had mastered years ago.

In the trailer for *Starlet*, a deadpan announcer booms out: "If you are under 18, you are breaking the law by even seeing this preview!"

"An expedition was mounted...." begins the announcer, as the camera cuts to a copulating couple. The voice-over promises "a story that will drain your emotional fountain."

The Erotic Adventures of Zorro proudly proclaimed to be "the only picture rated Z!"

The middle to late '60s were a golden time for Friedman. The money was rolling in, he was king of the roost—"the Great Clown Prince of Dermapixville"—and he was having a blast writing, producing and sometimes acting in his funny, bawdy "crotch operas."

* * *
Homicidal Freaks and Nazi Lust Slaves Friedman didn't entirely abandon the horror and gore genres.

She Freak (1967), widely available on video today, is an overlooked sleaze classic. Basically a rewrite of the 1932 horror masterpiece *Freaks*, which had fascinated Friedman as a kid, but doused with extra sleaze, violence, Deep South seediness and black humor, *She Freak* also benefits from highly effective acting, including Friedman himself as a smarmy freak-show

"You must be new around here."

"Yo! My man! What it is!"

SIN SULTAN

"People ask if I've been ashamed of anything I've ever done. If I said yes, *Ilsa: She-Wolf of the SS* is something I would be ashamed of."

barker luring yokels into an exhibit of unspeakable horror.

And then 1974's infamous *Ilsa: She-Wolf of the SS*.

"People always ask me if I've ever been ashamed of anything I've ever done," he says, "and I've always said no." A pause. "Possibly, if I said yes, *Ilsa* is something I would be ashamed of."

Friedman was hired by a Canadian company to produce *Ilsa*. "I was a hired mercenary," he says, almost as if excusing his participation. The company wanted the ultimate in sadism, degradation and brutality.

They succeeded.

Ilsa, with stacked, blond ice goddess Diane Thorne as a ruthless Nazi prison-camp warden conducting depraved experiments on inmates, is one of the most brutal films ever made. Its twisted sex, sadism and torture made even the man who made *Blood Feast* uncomfortable. "Sheer, unadulterated torture," says Friedman.

Ironically, all this depravity and degradation took place on the abandoned sets of the TV show *Hogan's Heroes*.

Fed up with the film for various reasons, mostly financial, Friedman washed

his hands of it. His name doesn't appear on the credits.

* * *

Hard-Core Days

By the dawn of the '70s, the sex-film market was rapidly changing. Bill Osco, the Mitchell Brothers, Alex de Renzy and others had begun showing explicit sex, complete with close-ups, full penetration and cumshots. More and more audiences followed. By 1971, the market for soft-core porn had dried up.

Friedman reluctantly switched to hard-core, eventually making several films—including *Seven Into Snowy* (1975), *Chorus Call* (1976) and *Matinee Idol* (1984)—notable for their production values, acting and zippy, humor-filled plots.

Friedman pops a tape of *Matinee Idol* into his VCR.

As the film gets under way, he points with pride at the performances of the actors—John Leslie, Jessica St. James, Herschell Savage, Chelsea Manchester, Colleen Brennan.

"See? These kids could act," he says. "I wanted 'em to act, not just fuck and suck."

Friedman emphasizes the film's high pro-

duction values, light years better than typical porn grunge. When the movie gets to the first hard-core scene, Friedman—impatient with the way the fucking and sucking slows down his plot and dialogue—hits his remote control and fast-forwards through it.

"I'm the only guy in the world who fast-forwards the sex scenes," he laughs. "They're the most boring things in the pictures."

In the final climactic love scene between Leslie and St. James, the camera fades out before the two characters bone. No explicit intercourse. No penetration. Friedman believed it was more romantic, more arousing, more dramatic that way.

Hard-core changed the whole sex-film business. The qualities Friedman valued—lavish plots, humor, titillation—weren't needed, appreciated or desired in hard-core.

Friedman wanted to make movies, not just copulation documentaries. Hard-core had taken all the fun out of making sex films. In 1988, a wealthy man, he got out of the film business.

* * *

Friedman seems content today, staying busy around his Anniston home. There are new releases of some of his sleaze and gore classics. There's *Sex and Buttered Popcorn*, a video history of early exploitation films Friedman lovingly wrote and assembled.

Friedman buried the hatchet with his old partner Herschell Gordon Lewis (now a millionaire ad writer), and the two occasionally kick around the possibility of teaming back up for *Blood Feast II*.

Friedman's contracted to write a history of '60s soft-core films. And he's negotiating to buy a carnival.

Most notably, this year Friedman published the first volume of his autobiography, *A Youth in Babylon: Confessions of a Trash-Film King* (Prometheus, \$19.95). Reviewers and film writers across the country praised its rollicking, humorous style and fascinating tales of the near-forgotten years of outlaw filmmaking.

All this praise and respectful attention has brought Friedman an ever-widening mainstream respectability. Friedman recently appeared on *To Tell the Truth*.

The night before a HUSTLER reporter interviewed him, the King of Sleaze was the honored guest speaker at the local Kiwanis Club. Before community leaders he earnestly extolled the virtues and glories of his hometown ("Hollywood Insider Praises Anniston," read the headline in the next day's *Anniston Star*).

Success, fame and respectability—the end rewards of 40-plus years of trafficking in cinematic sin, sex, sleaze and gore?

Friedman may well have pulled off his biggest score of all. Sitting in his study, grinning, chewing on a cigar, sipping a Bloody Mary, he's absolutely delighted with the way it's all turned out.

GANG RAPE (continued from page 64)

Fraternity Gang Rape suggests that men are quenching a subconscious homosexual desire for one another through the body of a woman.

a creation of the attitude, but simply a reflection of it."

Long before the advent of pornography and television and, in fact, as long as man has existed, so has rape. The Bible contains tales of sexual assault as early as the opening book (Genesis 34) where Dinah, the virgin daughter of Jacob, left her house to visit some female friends and was accosted by the son of a prince who "took her, and lay with her, and defiled her."

Gang rape is one of the many unfortunate by-products of war. The camaraderie of men at war, the heroic figures of strangers conquering a strange land, led to the use of the penis as yet another of the warrior's weapons.

World War II presented wartime gang rape both in Europe by German soldiers as they invaded Belgium and in the Far East where the Japanese committed similar atrocities against the Chinese in what became known as "The Rape of Nanking." Wives and daughters of the defeated were forced to service as many as 50 Japanese soldiers a night. When the victory train was finished, a stick was often shoved into the worn-out vagina and the head of the victim severed.

For American fighters, Vietnam proved a raging battlefield of sexual aggression. The sense of anger to both the no-win situation and the enemy escalated beyond normal human proportions. In one incident, a girl was abducted by a squad of five men on a reconnaissance mission and held captive for five days of continuous rape before she was killed and her crumpled body buried. Those involved later rationalized in court that in the jungle the pressure to maintain allegiance to the platoon included taking part in whatever the group was doing.

Even today, without war, gang rape persists in many tribal cultures as a socially accepted way for men to maintain their dominance. Both the Mandurucú Indians of central Brazil and the Iatmul headhunters of New Guinea use gang rape to keep their women obedient.

Here, in a more civilized nation, gang rape persists in the jungles of our streets and schools. In a highly publicized attack in Central Park, several youths raped a female jogger, beat her with a brick and left her for dead in a night of uninhibited violence that created the phrase *wilding*.

The members of that group, like those in fraternities, sports teams or wartime platoons, spend so much time within an all-male micro-society that women become peripheral to the immediate needs of the group.

Author Peggy Reeves Sanday suggests in *Fraternity Gang Rape* that the men are quenching a subconscious homosexual desire for one another through the body of a woman who is often unconscious from alcohol and fear. The men are getting off not on contact with the woman, but from witnessing another man's machismo.

"I think that's stretching it," opines Dr. Groth in response to the homosexual overtones. "How do you prove unconscious homosexuality? I don't think a group of men who assault in a gang have any more interest in having sex with one another than a group of guys who go hunting together really want to kill each other."

"[But] the men who participate do have some confusion about their sexuality," insists Dr. Liechty. "Some vicarious enjoyment is received in the false sense of closeness with these other men."

Ironically, the convicted rapist often becomes the raped as the gruesome by-product of incarceration.

Many convicted sex offenders wish they had sought help when they first experienced the urge to rape. So do their victims.

"The best favor you can do for potential victims is to keep them from becoming victims," explains Dr. Berlin. "You can only do that by dealing with the offender. It's important to counsel victims after the fact, but it is after the fact. There's a real need for resources so that those offenders who want help can have it and not victimize innocent people."

Although a variety of programs help drug abusers and victims of sex crimes, no such resource is available for the potential sex offender.

"It would be great to have a hotline," Matthew suggests, "like an 800 number so that if you want to go rape a lady, you could call and say, 'This is how I feel right now...'"

But would potential offenders actually pick up a phone and dial? It's still the determination of the individual how he will react if he recognizes the urge to rape or witnesses a gang rape in progress. Some might seek help. Others might join in or just watch.

It takes courage for an individual to say to himself or to a friend that women are not the enemy and deserve the respect that men reserve for themselves. Unfortunately, until some resource provides help or the male persona undergoes a dramatic redefinition, the abuse of women will persist.

For those who experience unwanted sexual yearnings or simply want to discuss their sexuality with someone confidentially, contact Dr. Fred Berlin or his Johns Hopkins clinic staff at 301-955-6292. ☹

"Be patient, sugar. I'll find it!"

SEX FOR SALE (continued from page 88)

Two blondies in corsets and high heels were both cute as the dickens, offering to allow a penile probe of mouth and throat for \$20.

On a second circumnavigation, still no street poozle. But the third try was the charmer (the time was a little after midnight): Suddenly the streets were jumping with snatch! Black ones, white ones, brown ones, dressed in high heels, in hotpants, in underwear....

There were some nightmares: A short babe in red shorts who looked great from down the block became a crack-ravaged hell vision up close. But then two blondies in corsets and high heels were both cute as the dickens, offering to allow a penile probe of mouth and throat for \$20. The subsequent transfer of member into the lower portion of delightful femme anatomy would carry a \$60 tariff.

Times Square's sleaze factor is ever eroded by gentrifiers, but strip joints, video peeps, live-sex shows and one-on-one booths survive and thrive. A visit to the Big Apple is not complete without a stop at Show World, a multistoried Bloomie's of porn.

Several swing clubs are still in operation, and the city teems with Oriental dork-draining spas, outcall and walk-in slut services, S&M dungeons—if it's a physically possible sex act, it can be purchased in New York City.

Screw magazine is the best guide for a Big Apple sleaze crawl. Its "Naked City" listings are quite complete—though often less than completely accurate.

8. Philadelphia

Philly's a nice place to visit. Walk on Arch Street around 13th, and find a number of live peeps and adult book/video/accessory emporiums. A few blocks north on 13th is one of the cleanest Oriental spas.

Although quiet on several recent drive-bys, Broad Street between Tasker and Snyder reportedly has later-night street-scene slut action. The corner of Broad and Tasker boasts the Dolphin Bar, a rough-and-tumble inner-city titty joint.

Worth the extra expense of the toll is a drive across the Ben Franklin Bridge into scenic New Jersey. Just over the bridge, on Admiral Wilson Boulevard, whores line the highway both late and early.

A wide assortment of street gash follows the Market-Frankford elevated train line into the white, working-class Kensington neighborhood. The actual prostitution pockets shift from moment to moment. But somewhere along Kensington Avenue, a nice piece of poon with the precise parameters of race, age, attractiveness and price level awaits.

9. San Diego

Sex-biz professionals complain that San Diego is the least-wild part of Southern California. Topless dancers in clubs serving liquor

are required to be fingerprinted and to obtain photo-ID "nude entertainer permits." The Alcoholic Beverage Commission (ABC) rules are luridly detailed. Dancers are prohibited from performing "acts of or acts which simulate sexual intercourse, masturbation, sodomy, bestiality, oral copulation...the touching, caressing or fondling of the breasts, buttocks, anus or genitals...." Did you come yet?

One of the more congenial topless bars in town is Dancers, at 7094 Miramar—relaxed and friendly, it's not too disgustingly wholesome. There are three nude clubs too: Les Girls, The Body Shop and Tops & Tails. Alcohol isn't served with the naked pussy.

Don't look for any hooking in the clubs. "We'd get closed down in a heartbeat," assures one manager. But street prosties circle within cruising distance. Mainly black and/or transvestite hookers can be found on El Cajon Boulevard. A mixed bag of pros can be found in the downtown area on the lower portions of Fifth, Sixth and Seventh Avenues, below Broadway. Midway, in the Rosecrantz area, is the place for Caucasian twat.

The trusty phone book once again pulls through with a healthy helping of Escort ads.

All in all, anyone who can't get laid in San Diego either doesn't have any money or know how to dial a phone.

10. San Francisco

Free love, Summer of Love, love children...forget it, sucker. Those days are finished. What's left in Frisco isn't too terrible: There's still love to be had out there; it just ain't free.

The Mitchell Brothers produced the famous *Behind the Green Door*, and their O'Farrell Theatre, at 895 O'Farrell, is an enjoyably sleazy scumatorium, with totally nude strip shows where girls circulate through the audience after peeling. The theater also boasts sex performances, porn movies and private viewing booths. Likewise, the Market Street Cinema (1077 Market Street) and Regal Show World (1046 Market Street) have totally nude dancers, one-on-one booths, peeps and porn tapes.

The hookers in the Mission District around Capp and 17th Street are pretty grim. For a wider selection of street sluts, cruise San Pablo Avenue all the way from Berkeley into Oakland, and MacArthur Boulevard in Oakland between Broadway and San Pablo.

The local sex rag, the *Spectator*, features page after page of sex classifieds. Once again, hit the phone directory (over five Escort pages and eight of Massage offerings, many Oriental). All in all, the Summer of Love it ain't, but one shouldn't have any trouble getting fucked in Frisco. ☘

ERECTION PROBLEMS?

Our formula borrows upon centuries old herbal remedies. American Indians discovered so called "miracle drugs" in nature...like ASPIRIN in birch bark, QUININE in chinchona, DIGITALIS in floglove. Their big discovery was DAMIANA, which they used as a stimulant for long, powerful erections. Since the 8th century the Chinese have used GINSENG to increase their sexual power, while in Central America natives have used SANSAPARILLA for the same purpose. Our formula combines all of these legendary products into a single capsule for daily use. We call it **SUPER MALE TONIC**. An agency of the U.S. Govt., without clinical tests, has restricted us from labeling SUPER MALE TONIC as an aphrodisiac. We make no such claim. But we have had THOUSANDS OF REPEAT CUSTOMERS since we started selling it in 1974.

If you have erection worries and are looking for relief we can promise you this: You won't be sorry you tried Super Male Tonic.

You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM!
HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?
 Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG... how really FAT... how LONG... how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.
 These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper. Accept no substitutes if you are truly serious about penis enlargement — join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

FREE! \$24.95 HOW-TO-VIDEO with every PUMP ORDERED!

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS! "A JOURNEY INTO THE BIZARRE"

with **PAUL NORMAN** . . . the master of the unusual!

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it!

PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen **true hermaphrodites** (people who possess a penis and vagina); **Siamese twins** who perform sex on camera; **bisexual nymphs and satyrs** who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

while they last!

PN-1 "BI & BEYOND" (hermaphrodite with a woman) - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!
PN-2 "PASSION BY FIRE" - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-3 "THE BIG SWITCH" - Two men and a woman have a bisexual menage-a-trois when they anchor their boat in a deserted cove, strip naked, and discover the hard, wet excitement of cum-drenched cock/pussy/cock fucking & sucking! Biggest selling bi-sex video of all time!
PN-4 "BI & BEYOND 2" (hermaphrodite with a man & woman) - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuckfest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) - Perhaps Paul Norman's most incredible discovery of all - gorgeous young siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manholes) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) - the Black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuckfest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (super-hung Black hermaphrodite with a man) - "Herculina," the incredible black hermaphrodite with a 12" penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" - Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's cameras record the most cum-saturated sexual encounter ever filmed!

Do you envy men who have large penis size, like 8, 9, or even 10 inch erections? Envy no more! **SIZEMASTER** may be for you. Maybe you won't get 9-10 inches, but you'll swell to the maximum possible. Gentle suction massage makes the amazing difference.

Compare **SIZEMASTER** to units costing twice as much and more, even \$60 electric models. Yet **SIZEMASTER** is only \$13.95 and has a 30-day money-back guarantee. Amazing offer... amazing product! Won't she be surprised & delighted! Ask your doctor about **SIZEMASTER**. Sold as a novelty only.

NOTICE: The U.S. Post Office, without clinical tests, has forbidden the claiming of **permanent penis enlargement**, and we make no such claim. But after 10 years and half-a-million sold, we have less than 1% dissatisfaction. And with a 30-day money-back return privilege, you have no risk. So you be the judge. Order today from...

Jeff Stryker's How to Enlarge Your PENIS

Enlarge your PENIS to its Maximum Potential!

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

Here is why Jeff Stryker's penis enlargement method can work for you.

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

You do this by inserting the penis into the pump's clear cylinder (you actually watch your penis grow). Erect measurements up to 12 inches!

Your penis grows larger and firmer more than you ever dreamed possible!

HAVE YOU EVER WISHED FOR A 9 INCH PENIS?

Or even 10 or 11 inches? Lets face it, all men are not created equal. If you have ever envied men with a huge, thick penis, even when not fully erect, then the ZENITH is the answer for the man with a small penis!

The ZENITH prosthesis design must add a minimum of 3 inches to your penis and add 30 percent diameter to your penis or your money will be refunded.

Imagine this addition when you are erect and up to 3 inches even when you are soft. Penetrate and thrill every opening of your partner deeper than ever before.

You will achieve these additions to your penis size without pumps, straps or strenuous exercise.

- Regular Zenith - Guaranteed minimum 2 inch addition — \$14.95 plus \$3 shipping.
- Heavy Duty Zenith - custom design guaranteed minimum 3 inch addition — \$19.95 plus \$4 shipping.

NEXT MONTH IN HUSTLER

January HUSTLER on sale November 26, 1991

PRETTY IN PINK

HUSTLER makes January the month to beat with six bangin' babes from the American heartland. A toe-curling slit-sizzler and her California beachboy grind out a gnarly, sandblastin' gash-thrash; a leggy, Wisconsin butter-blonde matches milk-white lace with red-hot labes; a saucer-nippled, Arizona brunette makes her slick skin slicker with her private brand of suntan oil; two New York nightclub vixens indulge in a spike-heeled tit-squish before exchanging tongue spunk and the latest in black-rubber fashions; and a nut-brown, white-blond, heavy-chested Texan savors the spice south of her border. HUSTLER blasts into 1992. Stick with us.

HOUSE PARTY

San Diego, California, may be most famous for its G-rated, family entertainments, but it's also home to the West Coast's most notorious swingers club—Thad's, where the chairs have stirrups, and sardine parties add a certain zest to muff-diving. Sleazemonger Cheezboy explicates his recent rendezvous with the undercrust of San Diegan society in *Cluster Fuck*, a crotch-popping tour of the kind of get-together where one housewife proudly claims she can cunt-suck 75 guys a night.

LOST IN AMERICA

White slavery in the United States is every bit as horrifying as forced prostitution in the Orient, but here in the USA, predatory madmen do the snatching, not the hired minions of organized crime. In America, psycho sex fiends kidnap women for personal gratification, sometimes trapping and torturing sex slaves for years before escape or death. Writer Larry Wichman details America's most chilling and least-publicized sex crime in *Bound Blind*, a harrowing tale of stateside subjugation.

HAPPY NEW YEAR

The Ivy League meets the Pussy League in January's *Sex Play*, "Fuck U," writer Scott Schalin's low-brow look at college callgirls; *Hot Letters* ignites another batch of combustible confessions; *Beaver Hunt* breaks out the first bush bunch of 1992; and the demented minds behind *Bits & Pieces* welcome a whole new year of sick jokes with a bolder vintage of bubbly. HUSTLER in January rocks on. Ready?
